Letter-join

Cursive handwriting made easy

Friday 8th September 2017

Dear Parents and Carers,

We are now part of the Letter-join handwriting scheme and any of our pupils wishing to practice their handwriting at home can now log in to the Letter-join website on iPads and tablets as well as desktop and laptop computers. There you will find the same, easy-to-use handwriting resources as we use at school.

How to log in to Letter-join

DESKTOP AND LAPTOP LOG-IN

Simply go to www.letterjoin.co.uk and log in, using the Desktop log-in boxes, with these details:

User name: step

Password: stone

Letter-join will work on the following browsers on PCs:

- Google Chrome
- Firefox
- Safari
- Opera

We cannot recommend using Internet Explorer for Letter-join.

IPAD AND TABLET LOG-IN

Go to www.letterjoin.co.uk, select the Tablet Login button and log in using these details:

User name: step

Swipe code (starting at top left):

Letter-join will run on the following tablets:

- iPads running at least iOS7 through the Safari browser.
- Windows 8 tablets (8 inch and bigger) using the built-in browser.
- Android tablets (8 inch and bigger) using Google Chrome, Firefox or Opera.

Once logged-in, you will be able to watch how to form all the letters of the alphabet using the same style that we use at school. You can then trace over the letters and words on your tablet and print out the worksheets from your PC for real handwriting practice.

As we have a limit to the number of users who can log onto this account, we ask that you do not share this username and password/swipe code with those outside our school community.

Kind regards

Tracy Stewart
