Introduction

The school aims to encourage an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils.

The school vision is:

'Love one another as I have loved you' (John 13: 34-35)

helping each other to reach for the stars.

The whole community aspire to fulfil this vision through our Christian values of community, perseverance, honesty, compassion, respect and responsibility each being a 'stepping stone' to success.

Our governing body has adopted this procedure to deal with concerns or complaints from members of the school community or general public.

Aims and Objectives

Our school aims to be fair, open and honest when dealing with any complaint and to resolve it through open dialogue and mutual understanding.

Careful consideration will be given to all concerns and complaints and we will deal with them as swiftly as possible. We will provide sufficient opportunity for any complaint to be fully discussed.

In all cases we will put the interests of the child above all other issues.

Our procedure is underpinned by the following **framework of principles**: -

- encourage resolution of problems by informal means wherever possible
- be easily accessible and publicised
- be simple to use and understand
- be impartial
- be non-adversarial
- allow swift handling with established time-limits for action and keeping people informed of the progress
- ensure a full and fair investigation by an independent person where necessary
- respect people's desire for confidentiality, wherever possible (some information sharing may be necessary to carry out a thorough investigation)
- address all points of issue, providing an effective response and appropriate redress, where necessary
- provide information to the school's senior management team so that services can be improved.

The difference between a concern and a complaint

A concern may be defined as '*an expression of worry or doubt over an issue considered to be important for which reassurances are sought*'.

A complaint may be defined as ‘an expression of dissatisfaction however made, about actions taken or a lack of action’.

It is in everyone’s interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Stone CE Combined School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, Mrs Morrison, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, Mrs Morrison will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Mrs Morrison will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by Stone School, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Stone School in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

In addition, Ofsted has the power to investigate certain (qualifying) complaints about maintained schools, including those from parents. A qualifying complaint is one that affects the whole school, not an individual. More information can be obtained from the school or Ofsted.

All other complaints are handled by the school according to the arrangements set out below.

Resolving complaints

At each stage in the procedure, Stone School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1 – initial concerns

If you have any concerns about the school, or the education we are providing at any time, please discuss the matter with your child's class teacher/Key Stage Leader or Deputy Headteacher at the earliest opportunity.

It is **not** appropriate to publicise any concerns you may have on social networking sites. Please speak, or write, to someone at the school at your earliest convenience, rather than using any other means.

The school considers any concerns very seriously and most problems can be resolved following discussion and a shared understanding of the issues. All members of staff work very hard to ensure that each child is happy at school and is making good progress and they always want to know if there is a problem so they can help to resolve it.

.

Most concerns can be resolved at this level, however, if after speaking class teacher/Key Stage Leader or Deputy Headteacher, you are still concerned please discuss the matter with the Headteacher.

Stage 2 – formal procedure

Most concerns are resolved at Stage 1, however if you remain dissatisfied and wish to take the matter further you will be asked to complete a complaint form (Annex 1).

Complaint Form

The aim of the form is to ensure each party has a clear and common understanding of the complaint and includes a section on what actions might resolve the problem at this stage. It can be used by anyone making a complaint about the operation of the school which is not covered by an alternative procedure.

We are happy to provide the assistance of someone unconnected with the complaint, if you would like support in completing the form.

The form (see Appendix One) should be returned to the headteacher, unless the complaint concerns the headteacher or a governor, in which case it should be returned to the chair of the governing body at the school address, marking the envelope 'FOR IMMEDIATE ATTENTION'. If your complaint is about the chair of the governing body, your completed form should be returned to the clerk of the governing body.

You will receive an acknowledgement of the receipt of your complaint form within **5 school days**.

Investigation

An investigation will be carried out into the complaint and the way it has been handled by the school. This will include a review of any relevant documentation and information and seeking the views of relevant people, where necessary. The person undertaking the investigation will normally write to you with the outcome of this process within **15 school days** of receiving the complaint.

If, at any time, it becomes apparent that the complaint is a disciplinary or capability issue, the matter will be dealt with by following the appropriate procedure rather than the complaints procedure. You will be notified if this is the case with your complaint, however, you are not entitled to know which procedure, or the final outcome, because of the right to confidentiality of the member of staff involved.

If, following the outcome of the investigation, you feel your concern has not been resolved, you may choose to refer your complaint to Stage 3 of the procedure. This must be done in writing to the school within **15 school days** of the completion of Stage 2.

The date the complaint is received will be recorded and an acknowledgement of receipt of the complaint will be sent in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

Stage 3

At this stage the complaint will be considered by the governing body's complaints committee, which will be formed of the first three, impartial, governors available. This is the final stage of the complaints procedure.

Panel members will have no detailed prior knowledge of the complaint, or connection with the complainant. The meeting will normally take place within **15 school days** of your request. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three governors from Stone CE Combined School available, the Clerk will source any additional, independent governors through another local school or through their LA's Governor Services team, in order to make up the committee. Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 3.

Appendix 2 outlines the process that will be followed at a panel hearing.

The committee will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant's needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either

party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Representatives from the media are not permitted to attend.

The Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee
- Any written material will be circulated to all parties before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and Stone CE Combined School with its conclusion within **5 school days** of the meeting, and its decision is final. The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by Stone School.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 3 will be heard by a committee of independent governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Stone CE Combined School will take to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

Next Steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 3.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Stone CE Combined School. They will consider whether Stone CE Combined School has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Department for Education
Piccadilly Gate
Store Street
Manchester
M1 2WD.

Serial or Persistent Complaints

Unfortunately, in a small minority of cases, people pursue their complaints in a way which can either impede the investigation of their complaint or can have significant resource issues for the school.

These actions can occur either while the complaint is being investigated, or once the school has concluded the complaint investigation.

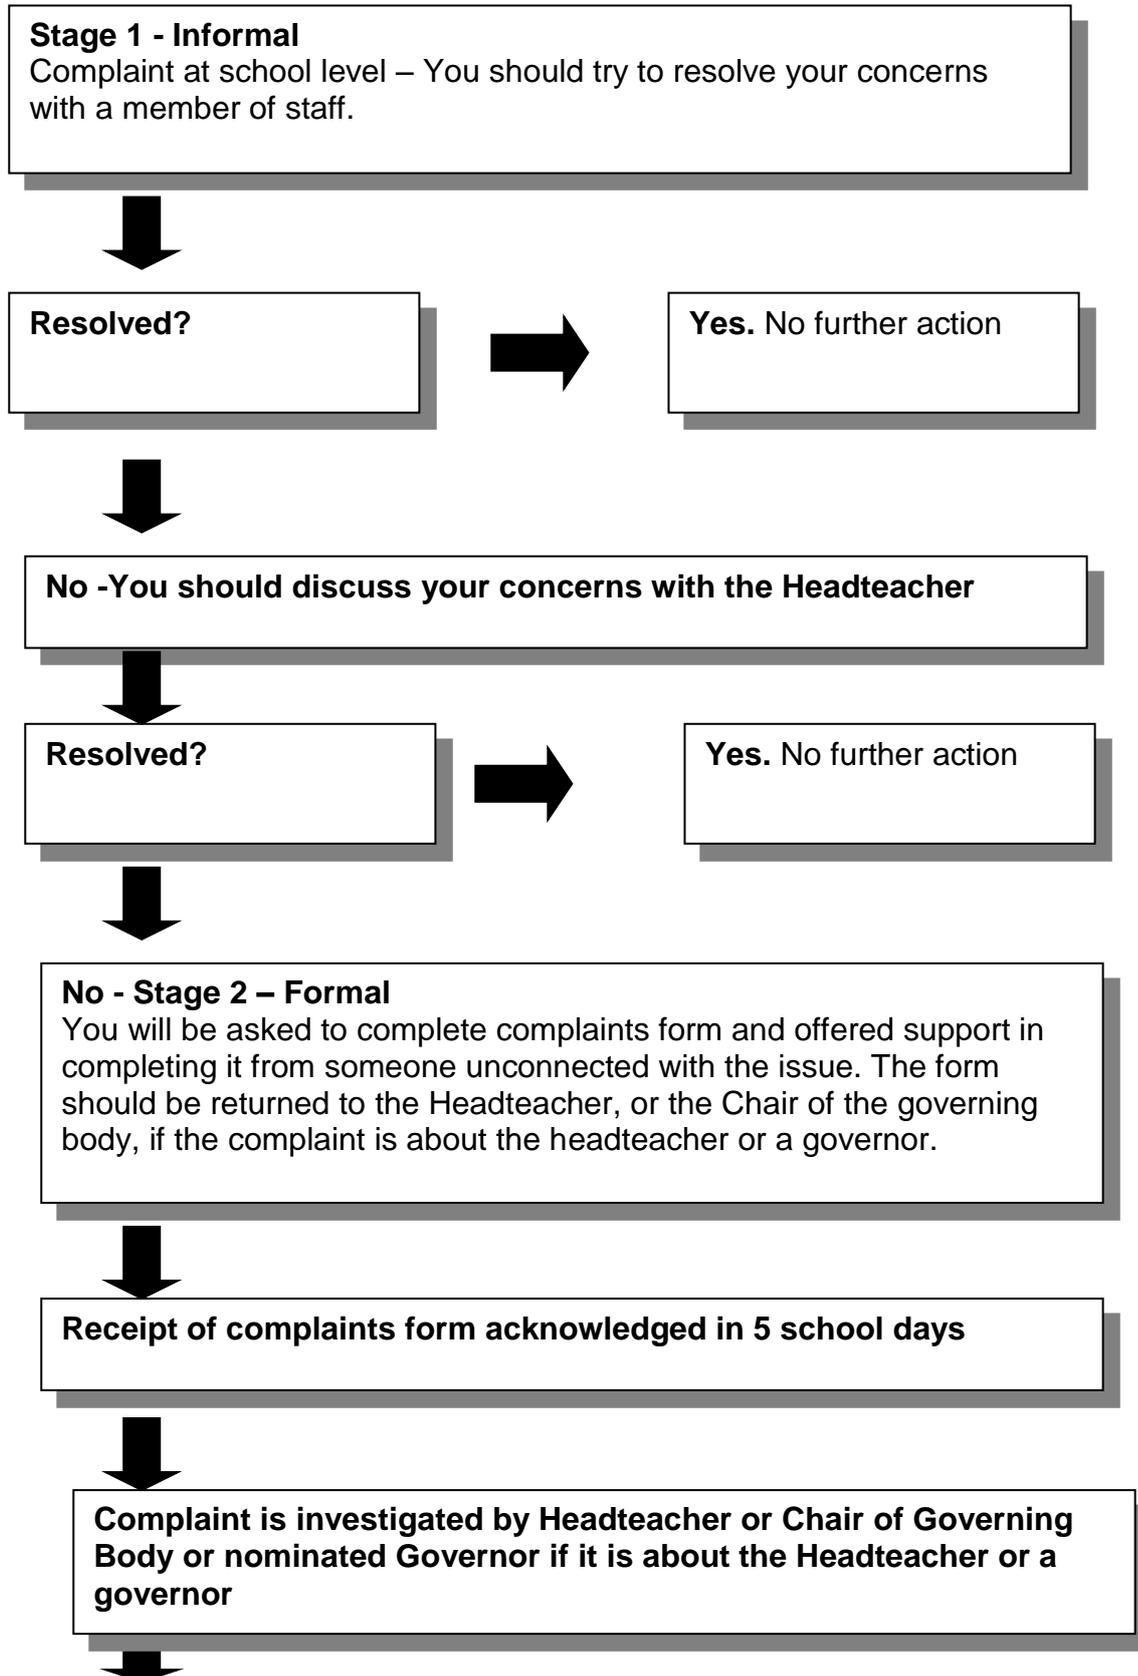

In such cases, the school will follow any advice from the Department for Education and the Local Government Ombudsman.

Monitoring and Review

The governing body monitors the complaints procedure, in order to ensure that all complaints are handled properly. The headteacher logs all formal complaints received by the school and records how they were resolved. Governors examine this log on an annual basis and consider the need for any changes to the procedure.

- The Chair of the panel explains that both parties will hear from the panel within five school days.
- Both parties leave together while the panel decides on the issues.

Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the headteacher or complaints committee that

sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator (this could be the headteacher / designated complaints governor or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, Chair of Governors, Clerk and LAs (if appropriate) to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Governing Body

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example; stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so
No governor may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.
