Life Skills Skills for Life

Now is a good time to be educating children to be resilient and to scaffold their belief that they can cope in uncertain times.

We have had two class collective worships this week which involved sharing age appropriate resources about the Coronavirus and how they can look after their wellbeing at this time - physically and mentally.

Please find attached two resources which are useful for all age groups. We would also recommend Newsround for year 3 upwards, as they provide age appropriate news, which includes positive news:

As always, the 5 Ways to Wellbeing are invaluable to support your child's wellbeing:

QUIZ! Year 5 General Knowledge Quiz

On Friday 13th March George, Sammie, Samanyu, Toby and Ameline travelled to John Colet school to take part in a quiz.

Despite there being 8 other schools, we amazingly came third! First was the general knowledge in which we scored 8/10. Next was the engineering round, where we had to make a tower out of just noodles and marshmallows. Our height was 27cm.

Science and nature was the next round. We found it quite tricky but we still managed to get 6/10. After that we had three more rounds (naming flags, fitting a person through an A4 piece of paper and literature).

After that, we had the results. Outstandingly, we came 3rd. Then we went back to school in time for home time.

Stone v Bedgrove—6th March

In a home match Stone played Bedgrove. Stone got their 1st goal by Lauren in the first quarter. In the second quarter we scored another goal by our shooter Eliza D, year 6. In the third quarter no one scored but the defending was intense. However not as intense as in the final quarter when Bedgrove scored and so did Stone (by Toby M, year 5).

The final result was an amazing 3-1 to Stone. We ended the game with player of the match—Toby M - and refreshments for all.

Written by Isabelle, Layla and Eliza, year 6.

Year 6

Today Year 6 have been making their own fitness video to us at home during their movement breaks!
