

MALTA HOUSE

## MH2 Naming Opportunities

There are several spaces in the new Malta House, opening by the end of 2020, to which campaign donors may dedicate their gifts.

Families choosing to commemorate their gifts will be recognized by name with wall lettering or a plaque.

### **FAMILY CHAPEL - \$1 MILLION**

1 AVAILABLE, 1ST FLOOR

The Family Chapel is the heart of MH2. It is located directly across from the main entrance. The chapel will seat approximately 75 guests and will host masses, non-denominational services, rosaries and important occasions. Large glass bi-fold doors separate the interior chapel from the Foyer.

### **COMMUNITY ROOM - \$500,000**

1 AVAILABLE, 1ST FLOOR

Located on the east end of the first floor, the Community Room houses group classes, administrative meetings and socials. Along with a conference space, it features a play area and a large bay window seating area, overlooking a beautiful side lawn and a privacy-fenced playground.

### **FOYER - \$250,000**

1 AVAILABLE, 1ST FLOOR

The foyer is the most visible place at MH2. When our new moms first arrive at Malta House, they're often weary after having made this difficult decision, leaving their previous situation and completing the administrative process needed to find us. We want their first steps into Malta House to feel safe, calm and comforting as we welcome them home

**TAKEN**

### **DINING ROOM - \$250,000**

1 AVAILABLE, 1ST FLOOR

Here mothers and babies gather to share meals in community. The light-filled dining room will feature a large community table, with plenty of room for highchairs.

**TAKEN**

### **KITCHEN - \$250,000**

1 AVAILABLE, 1ST FLOOR

Our mothers will prepare their meals using commercial-grade appliances and multiple refrigerators for each mom to store their own groceries. This is an important part of both cultivating community and preparing our moms for independence.

### **FAMILY GATHERING ROOM - \$100,000**

1 AVAILABLE, 2ND FLOOR

Located on the second floor of MH2, the community room is a place in the private residence area where moms and babies can spend time together, share successes and challenges, and retreat in a space close to their rooms.

### **OFFICE SUITE - \$100,000**

1 AVAILABLE, 1ST FLOOR

Our staff's offices will be found adjacent to the main entrance. Individual offices provide privacy for conversations with our moms and provide appropriate workspaces for our social worker, counselor, and critical back office operations.

### **ELEVATOR - \$100,000**

1 AVAILABLE, 1ST FLOOR

A newly-installed elevator will make the second-floor residence accessible to moms with strollers and people with mobility needs.

### **NURSERY - \$100,000**

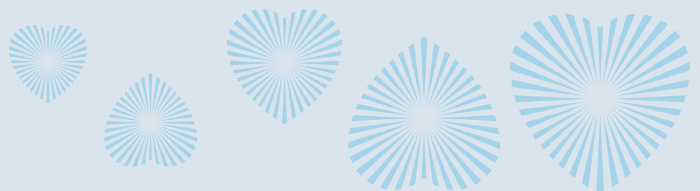

1 AVAILABLE, 2ND FLOOR

The infant nursery is set up to provide the age-specific care babies need. It will be furnished with educational toys and manipulatives to promote motor skills and cognitive development. The lack of affordable childcare is a huge obstacle for single mothers and limits their ability to pursue education or employment. Malta House provides safe, free care for the children of current and former residents, so they can pursue their goals.

### **CHILDREN'S PLAYGROUND - \$100,000**

1 AVAILABLE, OUTSIDE

MH2 features a beautiful backyard playground. Fenced, landscaped and filled with plenty of toys, it will be a valuable place for our older babies to safely run, climb and play.

*Growing the Mission*  
IN A NEW HOME

## *Naming Opportunities Continued*

### **WELLNESS CENTER - \$50,000**

1 AVAILABLE, 1ST FLOOR

Allowing us to expand services, the Wellness Center will house visiting health care providers, so our moms will have easier access to care for themselves and their babies.

### **TECHNOLOGY ROOM - \$50,000**

1 AVAILABLE, 2ND FLOOR

Our moms need access to computers to complete online education classes, formulate resumés and to research and apply for employment. Located in the second-floor residence, the Technology Room will house computers with high speed internet access, a shared printer and general office supplies.

### **LIBRARY - \$50,000**

1 AVAILABLE, 2ND FLOOR

Reading to children is a critical tool to promote language development and support early literacy. In the second-floor residence, the Library will be a place where moms can study and connect with their babies and toddlers through reading.

### **FAMILY SUITE - \$50,000**

3 AVAILABLE,  
2ND FLOOR

The second floor will include three larger family suites that can accommodate mothers who already have a child. It is a two-bedroom suite – one room for mom and baby and one room for a toddler – and includes a private bathroom. All suites are in the second-floor residence. This is one of the ways in which our new home will enable us to expand our services.

**ONLY ONE  
REMAINING!**

### **RESIDENTIAL SUITE - \$25,000**

12 AVAILABLE, 2ND FLOOR

Our 12 “Mom & Baby” Suites will include a fully furnished bedroom for mom and baby and a bathroom, shared with one other family. All suites are in the second-floor residence.

### **GALLERY WALL - \$10,000**

4 AVAILABLE, 1ST FLOOR

Four Gallery Walls enliven the first-floor halls of MH2, featuring photos of current residents and 20 years of alumnae, artwork and inspiration.

### **STAINED GLASS WINDOWS - \$10,000**

10 AVAILABLE,  
1ST FLOOR

The north and south walls of our chapel will be lined with six beautiful curated stained-glass windows, creating a more prayerful environment for this sacred space.

### **CHAPEL SEATS - \$5,000**

30 AVAILABLE, 1ST FLOOR

Commemorate your family’s or group’s support of MH2 through sponsoring a seat in our chapel. Each seat will have a plate with the inscription of your choice.

### **DINING TABLE - \$10,000**

2 AVAILABLE, 1ST FLOOR

The first-floor dining room, just like in your own home, will be well-used and loved! Help us provide the table on which our MH2 family breaks bread together.

### **BENCHES - \$5,000**

5 AVAILABLE, OUTSIDE

Your family or group’s name will be commemorated on an outside bench in our gardens or playground.

**EIGHT  
REMAINING!**
