We thank you for making our mission possible.

Malta House FY 2020 Financial Report

FY 2020 witnessed the impacts of the unanticipated COVID-19 pandemic which caused Malta House to make significant adjustments to many of its revenue streams and ways of operating. Despite this, Malta House ended the year with an operating income that was just 5% less than was budgeted.

Income Total: \$909,300

Expenses Total: \$1,049,430

Annual Giving by donors held firm, even while Malta House was undergoing a significant \$4.5 million “Growing the Mission in a New Home” Capital Campaign for a new building and there was a global health and economic crisis.

During this time, Malta House received a PPP loan for \$93,300 through the Coronavirus CARES Act in 2020. This loan (that was forgiven in 2021) helped Malta House significantly weather the added expenses and alterations in operations as a result of the pandemic.

Monetary Value of In-kind Donations:

Generous donors provided \$122,150 worth of in-kind program donations, including things such as prepared meals, groceries, clothing for our moms and babies, and baby supplies like bottles, blankets, toys, books, and more.

Your Impact: YOU GIVE LIFE

Clarissa arrived at Malta House pregnant with her 4th child and little hope of being able to care for her unborn baby. Clarissa felt like God had failed her, yet she still trusted in Him. Then she found Malta House.

And, because of you, she began to trust and rebuild her faith in God through participating in the Malta House spirituality program.

Life was not easy for Clarissa. She had many ups and downs and starts and stops including what she feared the most, losing her daughter to state custody.

But because you cared, Clarissa relied on her faith, determination, and the lessons she learned at Malta House to get her through.

IF NOT FOR YOU: Today, she is living in her own apartment with her daughter in Stamford and works in a supervisory position. Without you, *none of this would have been possible.*

When there seems like there is no hope left and nowhere to turn, there you are.

WE COUNT ON YOU:

Help Us Continue to Give Hope For Life

- Consider an increase in your giving this year.
- Consider having an even greater impact on our women and children by becoming a “Partner in Hope”, the **MHx12 Monthly Sustainer Program**, to ensure that every expectant mother who needs a safe and loving home has one.
- Send a card to a Malta House mom to give her hope.
- Share our mission with one person this year and invite them to a Malta House upcoming tour.

If not for
you,
they would
not have
new life!
