

# Attestation

Based on an on-site audit, the organization

Heinrich Kling Mälzerei GmbH & Co. KG

at the location

Talstraße 168, 69198 Schriesheim

and further locations according to the appendix

has proven the operation of an

alternative system for the improvement of energy efficiency according to the German regulation SpaEfV § 3.

The underlying data and information are coherent and found to follow the requirements of

## SpaEfV § 4 paragraph 3 No. 2

All energy data are collected and assessed professionally, verifiably and in accordance with the regulations.

No non-conformities were found during the audit.

This attestation, in connection with the audit report, is valid for the claim year 2021.
