## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Arts Council of Greater Lansing, Inc.  
Lansing, Michigan

We have audited the accompanying financial statements of the Arts Council of Greater Lansing, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2017 and 2016, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Arts Council of Greater Lansing, Inc. as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS**

**Note 1 – Organization and Accounting Policies**

Organization

The Arts Council of Greater Lansing, Inc. (Arts Council) is organized to benefit the people of the greater Lansing area by promoting artistic expression and appreciation, coordinating cultural development of the arts, facilitating communication among arts organizations, advocating arts within the community, and providing facilities as a center for the arts. The Arts Council is organized as a not-for-profit charitable organization under section 501(c)(3) and, as such, is exempt from federal and state income taxes on its related activities.

Major Program Descriptions

The Arts Council programs are grouped under one of two major program types - Education and Professional Development, and Arts Promotion, Awareness, and Advocacy.

Education and Professional Development consists of a multifaceted approach to supporting artists, students, and arts organizations throughout the community which provides professional development grants, group workshops, artists-in-residence in public schools, maintenance of online resources, and individual consultations and technical assistance.

Arts promotion spans several media outlets and community events. Endeavors include billboards showcasing artists' work, distributing print materials with lists of arts and cultural events, social media, website and mobile applications, and events such as Arts Night Out and rotating gallery exhibits within the offices of Arts Council.

Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributed Materials and Services

Contributed materials and services, which are recorded in the accompanying Statement of Activities, represent a variety of services and materials used primarily for the Holiday Glitter and the spring fundraiser. Some contributed professional services were used for general administration.

In addition to the contributed materials and services which have been recorded in the financial statements, the Arts Council benefits from volunteers whose services do not meet the criteria for recognition according to generally accepted accounting principles. The estimated value of these volunteers is \$143,747 and \$137,238 for the years ended September 30, 2017 and 2016, respectively, and include such services as board member meetings, grant review panels, interns, and fundraising event volunteers.

**ARTS COUNCIL OF GREATER LANSING, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**Note 1 – Organization and Accounting Policies (continued)**

Deferred Revenue

Deferred revenue represents advance sponsorship receipts which have not yet been expended for an event to occur in the following fiscal year. At September 30, 2017 and 2016, the majority or entirety of these receipts relate to the Creative Placemaking Summit held each October and the Holiday Glitter fundraiser held each December, respectively. Revenues and expenses related to these activities are reflected in the Statement of Activities in the period the event occurs.

Restricted Contributions

If the Organization receives donor-restricted contributions and all such restrictions are met within the same period, all such contributions are reported as contributions without donor restrictions (see Note 11).

Advertising Costs

The Arts Council incurs advertising costs for print media and billboards related to program, management and general, and fundraising functions. These costs are expensed in the period in which the advertising first takes place.

Property and Equipment

Leasehold improvements and equipment are capitalized at cost basis when the purchase price exceeds \$1,000. If assets are contributed, they are capitalized at fair value if it is greater than \$1,000. Depreciation is computed on the straight-line method over the estimated useful lives of the assets.

Investment Income and Expenses

Investments are carried at fair value (see Note 4), and investment income includes interest and dividends received and accrued, realized gains and losses, and unrealized gains and losses, all of which are reflected within investment gains (losses), net of direct expenses, in the statements of activities. Investment-related expenses are included in net gain or loss of investments.

Expense Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. All expenses used allocations except for grants, management fees, and contributed services and materials. Expenses are allocated on the basis of estimates of time and effort.

Liquidity

The Organization's financial assets available within one year of the balance sheet date for general expenditure are as follows:

	<u>2017</u>
Cash and savings accounts	\$ 69,308
Grants and other receivables	163,910
Appropriation of endowment fund	<u>26,000</u>
Total	<u>\$ 259,218</u>

**ARTS COUNCIL OF GREATER LANSING, INC.  
NOTES TO FINANCIAL STATEMENTS**

**Note 1 – Organization and Accounting Policies (continued)**

As part of the Organization’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Additionally, the Organization has a quasi-endowment of \$635,820. Although the Organization does not intend to spend from its quasi-endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from the quasi-endowment could be made available if necessary.

**Note 2 – Property and Equipment**

The details of property and equipment are presented below:

	<u>2017</u>	<u>2016</u>	<u>Estimated Life</u>

**Note 3 – Endowments**

Capital Region Community Foundation

The Arts Council adopted FAS 136, Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others. Accordingly, the Arts Council has recorded agency assets held by the CRCF. The increase or decrease in this asset is due to contributions from the Arts Council, earnings or losses on those contributions, distributions, and fees during the year.

The Arts Council has made two investments with the Capital Region Community Foundation (CRCF) represented by an interest in the assets held by CRCF. CRCF will maintain these separate investments and the Arts Council may elect to receive the earnings currently or have them reinvested. Upon the request of the Arts Council, distributions in excess of the net income of the fund may be made in any year if approved by the governing board of the CRCF. This arrangement conveys variance power to CRCF.

During the year ended September 30, 2010, the Arts Council invested \$650,000 with CRCF. This money was earned primarily as a result of the land and building sale recognized in the year-ended September 30, 2008. During the year ended September 30, 2012, the Council invested \$100,000 with CRCF.

**ARTS COUNCIL OF GREATER LANSING, INC.  
NOTES TO FINANCIAL STATEMENTS**

**Note 3 – Endowments (continued)**

Merrill Lynch, Pierce, Fenner & Smith

Separately, the board designated a quasi-endowment fund consisting of investments primarily in publicly traded securities (see Note 4) during the year ended September 30, 2011. These investments are held and managed by Merrill Lynch, Pierce, Fenner & Smith (MLPFS). The source of the funds was a bequest without donor restrictions.

The tables below present endowment net asset composition by type of fund and the changes in endowment net assets for the years ended September 30, 2017 and 2016, respectively.

	2017 Without Donor Restrictions	2016 Without Donor Restrictions

Endowment net assets, end of year	<u>\$ 1,701,728</u>	<u>\$ 1,609,532</u>

**Note 4 – Investments and Fair Value**

MLPFS – The Arts Council maintains an investment policy, the objective of which is to seek total returns that exceed inflation by at least 5 percent over a long-term basis and outperforms a balanced index over moving 5-year average. Actual results may vary from year to year. Consistent with its risk parameters, the Arts Council also sets guidelines for diversification of investments among various equities and fixed income investments. From the investments, the Arts Council intends to use approximately \$26,000 annually to fund the Chris Clark Fellowship grants.

These investments are designated by the board of trustees for long-term investment (quasi-endowment). Earnings thereon may be appropriated for current use. Long-term investment activity is reflected in the following table.

**ARTS COUNCIL OF GREATER LANSING, INC.

**CRCF**

The beneficial interest in assets held at CRCF have been valued, as a practical expedient, at the fair value of the Arts Council's reciprocal share of the CRCF's investment pool as of September 30, 2017 and 2016, respectively, as reported by CRCF. The beneficial interest is not included in the fair value table (see Note 10). CRCF values securities and other financial instruments on a recurring fair value basis of accounting. The estimated fair values of certain investments of CRCF, which includes securities for which prices are not readily available, are determined by the management of CRCF, and may not reflect amounts that could be realized upon immediate sale nor amounts that ultimately may be realized. Accordingly, the estimated fair values may differ significantly from the values that would have been used had a ready market existed for these investments. At December 31, 2016 (the most recently audited financial statements available), CRCF's investments are composed approximately of 64 percent equities, 29 percent corporate bonds, 4 percent alternative investments, and 3 percent money market and certificates (recorded at cost). The beneficial interest in assets held at the Foundation is not redeemable by the Arts Council unless approved the board of CRCF as described in Note 3.

The Council follows the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-320 (formerly Statement of Financial Accounting Standards No. 124) *Not-for-Profit Entities Investments – Debt and Equity Securities*. Under FASB ASB 958-320, investments are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets, as are reinvested dividends and interest.

The Financial Accounting Standards Board Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, (formerly SFAS No. 157) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The following are the major categories of assets measured at fair value on a recurring basis for the years ended September 30, 2017 and 2016.

Included in net gains from investments are unrealized holding gains of \$41,814.

**Note 5 – Retirement Plan**

The Arts Council maintains a 403(b) defined contribution retirement plan to which employees may contribute an annual maximum amount established by the Internal Revenue Service. The Arts Council will match up to 5% of the employee's gross compensation. Employer contributions for 2017 and 2016 were \$5,219 and \$4,408, respectively.

**Note 6 – Leases**

In July 2014, the Arts Council signed a building lease that expires in July 2019, with provisions for early termination and extension beyond 2019. The lease calls for rent to be \$1,100 per month, for a total of \$66,000 over the 5-year life of the lease. The lease provides for a discount if the rent is prepaid. The Arts Council has prepaid rents at years ended September 30, 2017 and 2016. The following table is a schedule of future minimum lease payments under the lease.

2018	\$ 12,804

Total	<u>\$ 19,206</u>

**ARTS COUNCIL OF GREATER LANSING, INC.  
NOTES TO FINANCIAL STATEMENTS**

**Note 6 – Leases (continued)**

Lease expenses were \$12,804 and \$12,396 for the years ending September 30, 2017 and 2016, respectively.

**Note 7 – Income Taxes**

In the opinion of its management, the Arts Council has not taken any unreasonable tax position and, therefore, no liability has been recorded. The Arts Council has never undergone an audit by the Internal Revenue Service, and three years of tax returns are open to possible examination.

**Note 8 – Concentrations**

Investments held at Merrill Lynch consist of stocks, mutual funds, and cash amounting to \$661,820 and \$645,892 at September 30, 2017 and 2016, respectively. The investments are not guaranteed nor insured. Cash held in these accounts is insured by the FDIC and is included with the investments since it is expected to be invested or available for long-term investment.

Concentrations exist with respect to grantors and related receivables. The loss of a significant grantor may adversely impact the Organization in the near term.

**Note 9 – Subsequent Events**

Subsequent events have been reviewed through April 3, 2018, which is the date the financial statements were available for issuance.

In November 2017, management drew \$75,000 from investment accounts to provide additional liquidity for the Organization.

**Note 10 – Reclassifications**

Certain reclassifications have been made in the financial statements for comparative purposes. No change to net assets or the net change in net assets was needed as a result of the reclassifications.

**Note 11 – Net Assets with Donor Restrictions**

Net assets are restricted for the following purpose:
