Mr. Tom Flynn Principal

Dr. Andrea Sala Superintendent

11-16-18

Dear Morton Gingerwood Families,

I wanted to take a moment to wish you all a Happy Thanksgiving. I hope that you enjoy your time with your family and friends. I also wanted to let you know just how thankful I am to be the Principal of Morton Gingerwood School. We have amazing students that I love seeing on a daily basis, and hearing about their great accomplishments. I have a wonderful staff that continually goes above and beyond to teach their students academics and life lessons in a fun way that gets the students excited about learning. I have an absolutely amazing secretary who makes manages about 1000 things at once in the front office. I have great colleagues in the other administrators that I touch base with and collaborate with on district projects. I have wonderful parents that volunteer for field trips and activities when possible and share concerns that they have about their students. I am truly very thankful for everyone in our Morton Gingerwood Family. The past few weeks we have had many visitors in our building and so many of them shared with me the kindness that they felt being in our building. Whether it was the curriculum coach that was so impressed that Mrs. Esparza hung her coat and escorted her to her the room she was visiting, or State Representative William Davis that complimented me on the kindness he felt from the staff and students. He was so very impressed visiting the classrooms with me witnessing the students and staff in action. While an outsider might think that some of what they were witnessing was staged I can tell you that it is actually business as usual at MGS. I'm so happy and thankful that I get to work with an excellent staff and such amazing students and families. I look forward to seeing you at parent teacher conferences next week where the teachers will share the areas of grows and glows with you. If you have any questions that arise please feel free to stop by and chat.

Have a wonderful Thanksgiving break,

Tom Flynn
Principal
