MARKED MEN | 2018

MODULES

ENCOUNTER

Phase #1 - An extremely powerful module where men are guided and challenged to face the issues in their lives that are holding them back. It is an intense journey to self-exploration that in the end enables a man to find answers to many questions in life.

TENDER WARRIOR

Phase #2 - This module introduces men to what they need spiritually in becoming servant leaders. It deals with more practical aspects of their lives by focusing on serving; such as how to serve your family, church and community.

Marked Men

Phase #3 - This module is a training ground for men to encounter God and to grow and develop in maturity. Drawing inspiration from Psalm 37:37, the goal of Marked Men is to become a man defined by integrity, strength and peace and worthy to be an inspiration to his family and other men.
