3. Review the Weekly Theme Content With Your Kids

Themes - Each week there is a new Theme to discuss with your kids. Each Theme is a collection of devotionals, prayers, Bible studies, and more to encourage reflection on a specific topic.

Sparks - In these short videos, the Lightglider characters encourage thought, reflection, and discussion about the weekly themes. Use these to "spark" a quality conversation!

Prayers - These short videos guide you and your kids through a themed prayer. Use them to encourage personal prayer and reflection with your kids.
