HOW TO PLAY THE DESKTOP APP

The Academy

Lightglider Academy seeks to shine like a city on a hill in the land of Glideon. There are lots of things to explore here!

Treehouse - The Gliddles that you rescue come to live here! Rescue more Gliddles to unlock more decks and grow more RES and Boosts!

Arcade - Relax and enjoy some minigames in the Arcade!

The Yonders - Go on missions into the Yonders to battle Machines, rescue Gliddles, and clear the blight! **See below for more information.**

Rooms - Explore the places where Lightgliders live, work, and play!

Quest Log - Keep track of your missions here!

Glidebook - Scripture, prayer, and journal activities to help grow your faith!

Shops - Buy decorations for your Treehouse, outfits for your Lightglider, or Stickers for your Postcards using the materials you collect in the Yonders!

Courtyard - Give out Boosts, chat with friends, bust out dance moves, and play games!

The Yonders

The Yonders is filled with adventure! Go on missions, battle Machines, rescue Gliddles, and restore the land from the blight!

Leader - Different leaders have different missions for you to complete! Completing missions will unlock new ones!

Locked Missions - Some missions are locked until you have a little bit more experience in the Yonders. Complete previous missions or trade in rare Materials to unlock new missions!

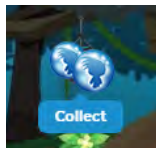

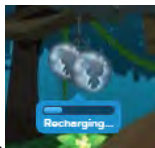

Missions - Click on a mission to go into the Yonders! Most missions involve rescuing Gliddles, using your RES to clear the blight, battling Machines, and collecting materials!

Objectives - This shows all the goals of your current mission. Complete the first objective to open the exit, but complete all three to be an expert!

Materials - Find coins, gems, and rare materials of all kinds by clearing blight, finding secret areas, and completing missions!

Blight - This dark, gooey substance is all over the Yonders! Click it to use your RES to clear the blight. Your RES is limited, so use it wisely!

Boosts - Boosts are special powerups that grow in your Treehouse! Once Boosts are charged, click to collect them, and then drag and drop them onto another Lightglider in the Academy. You'll get some RES and you'll give a fellow Lightglider greater capabilities for their next mission!

Gliddles - These friends are trapped in the Yonders and need your help! Grab them and then drop them off at the nearest Zipway to send them back to your Treehouse. Gliddles give you special powers to fight the Machines!
