I like to make things. I'm interested in telling stories, both my own and others. I believe in purposeful work. I take pride in my willingness to take risks. I am hungry to prove myself. But more than anything, I want this resumé to really represent me. So here is a TL;DR:

You'll see below what I've done, along with a list of skills. These are the things I'm proud to have worked on in the past. You'll see above my contact info and a big bold name that I hope doesn't get lost in a sea of applicants. Below are references that will testify to my work ethic and resolve.

EMPLOYMENT

Kammok Creative Design Intern

2018 – Roll includes creating designs for apparel and soft goods alongside the product team, as well as content for the brand at large.

State Bicycle Product Design Intern

2018 – Working on the brand's future clothing lineup releases, as well as complimentary bike accessories.
