

## Coronavirus Update

Updated March 16, 2020

Dear Friends,

We are very excited about our Log Jamboree coming up this summer! We are always thrilled to have campers on the campsite. However, we realize there is a lot of concern right now about the Coronavirus and that you might likely have questions about our efforts to manage it. We want you to be assured that the safety of our guests and staff is always our highest priority. It is always a delight to serve you!

We are attentively working with our local Department of Public Health agencies and taking preventative measures to promote a healthy environment on our campsites. We are also monitoring the National Institute of Health, the World Health Organization, and the CDC's real-time updates on the status of Coronavirus.

At this time, we have not cancelled any of our Summer 2020 camps. Should this become necessary, you will receive a full refund. We do ask that all potential campers be symptom free of fever and respiratory illness for at least twenty-four hours before arriving at camp. Thank you for working with us to ensure the health of our campers, staff, and community. We look forward to seeing you soon. If you have other questions, please contact our [Health Services department](#). Our staff is eager to go the "extra mile" to help you enjoy The Wilds safely.

"Trust in Him at all times; ye people, pour out your heart before Him: God is a refuge for us."

Psalm 62:8

A handwritten signature in black ink that reads "Rand".
