Practical and Teaching in

On a cool, crisp, fall day, New England offers beautiful, changing views every few moments. From the mist over the mountains in the early morning to the reds and oranges of afternoon and the golden yellow of evening, fall itself is one good reason to come to rural New Hampshire. Here at The Wilds of New England we have several more reasons to add to that one! Whether it's admiring the view from the cross overlooking the camp, talking with good friends at the coffee shop, browsing in the bookstore,

Personal God's Word

enjoying a delicious meal in the Dining Hall, or laughing at the rollicking Funtime in the Barn, it is hard to imagine a more idyllic weekend. Add a hike around the camp perimeter, a brisk game of volleyball, or a relaxing hay ride, and these times with friends will always be fondly remembered. Most importantly, there will always be practical and personal teaching in God's Word from gifted Bible teachers. Each program in this brochure is designed to refresh the heart for God.
