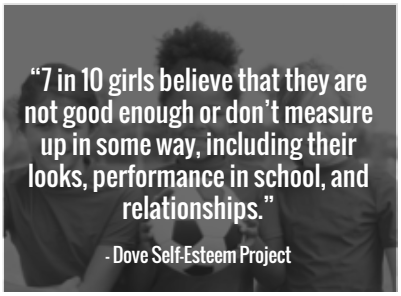
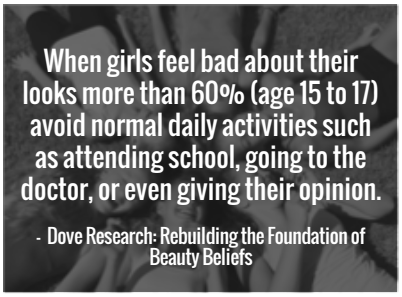
LET'S CHANGE THE GAME FOR OUR GIRLS

Today's social media-driven, image-focused society is impacting girls in ways we cannot imagine.

She's a 10 is leading a cultural reset in the way society sees, respects, and values women and girls – and more importantly, the way women and girls see and value themselves.

Here are a few statistics we aim to change.





THE SHE'S A 10 SOLUTION

SHE'S A 10 IS ON A MISSION TO CHAMPION CONFIDENCE IN 10 MILLION YOUNG WOMEN AND GIRLS.

Every $10 donated to She's a 10 helps girls learn their value lies not in how they look, but in who they are and what they do. Our Power of 10 public service campaigns, workshops, and pop-up experiences inspire girls to develop new narratives to declare their strengths, character traits, and ambitions to the world.
