Commitment

Generations is a learning experience and requires the following commitments on the part of the participant:

1. Attendance at all 8 sessions is required; therefore, no absences are authorized. Even though emergencies do arise, any participant missing any or all of more than 2 sessions, for whatever reason, shall be automatically dropped from the program.
2. A full session shall commence at 8:15 am and end at 11:45 am.
3. The course work for Generations is designed to prepare community volunteers to move into service at local nonprofit organizations. The employer as well as the employee should understand that a commitment has been made to actively participate in the course work and for a minimum of one year in the work of their chosen organization following placement.
4. The Nonprofit Management Center (NMC) staff facilitates the matching of the participant with a local organization. Participants are discouraged from finding an organization or approaching a nonprofit on your own. Participants who currently serve on a nonprofit board and/or participants who agree to board service not facilitated through NMC staff will be required to serve on an additional board.

A certificate will be awarded to those who complete the program by fulfilling the above commitments.

I understand the above commitments and agree to be bound by them in signing this application.
