**Sherry Tuttle**

**Pilot Club**

Sherry Tuttle has been an instrumental part of the Pilot Club of Odessa since 1983. Thru her involvement in the Club's projects, she has touched thousands of lives in Odessa. Her participation in every project makes her stand out. Some of the projects Sherry has been involved in are Meals on Wheels deliveries, Project Lifesaver, Community Christmas Tree benefiting the Permian Basin Rehabilitation Center, and Administrative Professional Day Luncheon, hosting over 300 guests for a style show and luncheon.

She also heads up the Community Garage Sale, where she and her committee work hours to organize, price, and display items to raise adequate funds to cover the Club's operating expenses. Plus, she heads up the Name Droppers donations so that the Club earns monies for gently used clothing, shoes, and purses on consignment.

Ann Volker, Pilot Club President, said, "Sherry Tuttle has been a faithful and dedicated member of Pilot Club since 1983. She is the epitome of a volunteer – dedicated, hard worker, performs above her task, team player and all the while, she is doing all this behind the scenes. She has greatly helped Pilot Club fulfill our mission statement of service to our local community."

Sherry is a fearless leader. Her kind, giving spirit makes everyone want to jump in and help. Her outstanding organization skills make working with her a breeze. And because the Pilot Club members all know they can count on Sherry for hard work, everyone is excited to help her in any way they can.
