We've had another great month at our Fulham and Willow Vale nurseries, come rain or shine we have had a fabulous time, enjoying everything from dressing up as Meghan and Prince Harry for the Royal Wedding tea party, to learning about Monet as our artist of the Month and making presents for Father's Day.

Artist of the Month - Claude Monet

This month's Artist of the Month was renowned French painter Claude Monet . The children have been studying his work and inspirations, and following this have had fun re-creating their own versions of his art including the Water Lilies

Parents Evening - 28th June

Please note Parent's Evening at Willow Vale and Fulham on 28th June will be an adult's only event. The evening will run from 6pm - 8pm on Thursday 28th June.

The Royal Wedding Tea Party

On the 18th May we held a special celebration at our Willow Vale and Fulham nurseries for the Royal Wedding. We all had fun getting dressed up in red, white and blue for the big day and enjoyed a traditional English tea party, sat underneath Union Jack bunting.
