

September 2018

In this month's newsletter:

- Macmillan Cake Sale
- Staff Training
- Our New Website
- Autumn Calendar
- Forest School

We would like to say a big welcome to all our new little people who joined us this month. The nursery staff have been busy making sure everyone is happy and settled in. It makes us pleased to see so many smiling faces already and we look forward to watching all of you learn and grow with us. We have been busy with lots of special days too including Jeans for Genes Day and a Macmillan Tea Party where we raised money for both charities. We have also started to look at the changes happening around us in Forest School which has helped us learn all about Autumn.

Autumn Treasure Bags

The children at Little People Fulham were all given Autumn Treasure Bags and they were asked to take them home at the weekend and fill them with Autumn items from nature. The children returned with an abundant variety of leaves, conkers, acorns and twigs which we have been looking at all week. We have been looking with a magnifying glass at the details and colours of the items, we've also been making some beautiful art with the leaves.

This Month's Staff Training:

SEND / Portage Training: This month Miss Marilyn, our Fulham Deputy & Senco Officer has completed her SEND / Portage training which helps the learning and development of children with complex needs.

Epilepsy Training: Several of the staff took part in this training which gave guidance on caring for a child with epilepsy.

Potty Training: The staff learnt how to help a child in potty training, which focuses on getting the children out of nappies

Critical Evaluation: The Managers learnt about self evaluating our progress and learning techniques here at the nursery while always keeping in touch with parents, children, staff and as a team.

WE ARE
MACMILLAN.
CANCER SUPPORT

Macmillan Tea Party

We took part in Britain's biggest tea party!

On 28th September the children decorated cakes and staff members brought in homemade creations to sell in the nursery. All proceeds were collected for Macmillan Cancer Support charity.

We have managed to raise £158!

Dates for the Diary - Autumn 2018

- 15th November: Parents Evening Fulham
- 20th November: Parents Evening Willow Vale
- 6th December: Christmas Play Willow Vale
- 7th December: Christmas Play Fulham
- 11th December: Christmas Party Fulham
- 12th December: Christmas Party Willow Vale
- 21st December: Closing for Christmas @ 6pm

Employees of the Month

Miss Tigist

Tigist is a lovely member of our team who is constantly hard working, putting in great effort with the staff and children.

Miss Aura

Miss Aura has always worked so hard and is consistently happy to help everyone, giving advice and being a great member of the team.

What We've Been Up To This Month...

Miss Anna

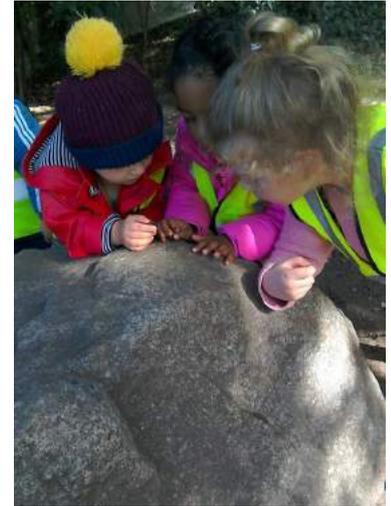

Miss Anna has a great positive attitude and initiative. She's always happy and willing to help. You can see the children all love her.

Extra-curricular Activity: **Forest School**

Forest School plays a huge role as one of our extra-curricular activities. Come rain or shine, every week our children aged between 3 - 5 years go out to our local parks and woodlands to explore the natural environment around them. We look at all the different trees and fauna and how they grow and change season to season, as well as studying any animals and insects we are lucky enough to see. This freedom in exploration is a valuable way for the children to learn where they can be fully immersed in their topic of study.

Our New Website!

We have recently launched our new website which is now a useful tool for parents. We have some great **new features** for you to use as an online resource:

- ◇ Nursery Calendar with upcoming dates
- ◇ Parent Handbook
- ◇ Our Policies
- ◇ Blog
- ◇ Newsletters
- ◇ Nursery Menu
- ◇ Gallery with lots of photos from all our events
- ◇ Funding & Grant Information

Thank you to everyone who took part in the Jeans for Genes Day. We all had fun wearing our denim for the day and managed to raise £67 for charity which goes towards helping children with genetic disorders.
