I, Dennis Craig Bynum, a Man of sound mind, of white Posterity birthright under Treaty, a sovereign-Inhabitant on soil within Indiana's boundaries, one of the several States as The United States of America, do depose and invoke the People's Laws as Constitution of the United States of America as amended A.D. 1791, Constitution of The State of Indiana A.D. 1816 and Laws thereof including those of perjury and money, and the Common Law of Indiana including Due Process of Law, and as a Posterity Beneficiary of the Public Trust formed by said Laws and reserving these same Laws within the same soil Boundaries and without loss of memory or abandonment of the same, and "out of the limits and jurisdiction of the United States", except by constitutional obligations, now speak-Hereafter "I", or "My". Only in the Status stated herein:

1. I Am **Dennis Craig**, family of **Bynum**, a son of the Almighty Ever Living, and one of the sovereign People of "**The United States of America**", and an heir and beneficiary of the Constitution thereof as amended A.D. 1791; As a Indianian, I state and depose for the specific purpose of establishing My valid Claim of sovereignty and sovereign immunity as a matter of Law.
2. This Affidavit is to Amend any and all previous documents that I may have filed in the public record, or other proceedings, in relation to My lineage, or My Claim with regards to My Birthright under Treaty, and is intended to correct any errors in those previous documents that I may have mistakenly or inadvertently made. In the event of conflict between this and any previous documents, the statements and Claims in this Affidavit shall be determined to be My correct Claims on the matter.
3. I hereby Claim My sovereignty as a direct descendant *i.e.* the **posterity**, of the people who formed the American Union of the **several States** of "**The United States of America**", and who were recognized internationally by King George III of England as **sovereigns** in the Treaty of Paris, A.D. 1783. Those people, My direct ancestors, created and signed the Declaration of Independence, A.D. 1776; the Articles of Confederation, A.D. 1776; the Constitution of the Commonwealth of Virginia, A.D. 1776; the Constitution for "**The United States of America**", as amended A.D. 1791; and, also created the **several States** and "**The United States of America**", and granted limited powers of their **sovereignty** to those Nation-States formed thereby. Further, they pledged their lives and property to the support and defense of the Constitutions of the newly formed **States** to which they had granted limited powers of their **sovereignty**. As the direct **posterity** of these people, I make My Claim as a beneficiary of the Constitution for "**The United States of America**", as amended 1791.
