Many sick people came to Jesus to be healed.

Count the people. Trace the numbers.

The grid contains six illustrations arranged in three rows and two columns:

- Top row: A woman on the left and a woman on the right. To the right of the second woman is a dashed number 2.
- Middle row: A man on the left, a man in the center, and a man on the right. To the right of the third man is a dashed number 3.
- Bottom row: A man on the left and a woman on the right. To the right of the woman is a dashed number 4.

Jesus went to be alone to pray.  
Where did He go?

Follow the correct path.

The maze features a winding path that starts at a group of four people on the left. The path leads through a landscape with various buildings, including a temple with a dome and columns at the top. The path ends at a small structure with a cross on top, representing a place of prayer. The path is the only continuous line connecting the group of people to the prayer structure.
