

Leeads

COMMERCIAL PARTNER

Dynamic Full Page Specifications:

This is a list of the files that Leeads need to receive to be able to produce the dynamic full page creative template:

Desktop:

1. Size: 1920x1080 - Background [*Format: jpg*]. Weight: 200KB
2. Size: 1920x1080 - Foreground [*Format: png*] transparent. Weight: 100KB
3. Safe area 100px all around for background. No safe area on foreground

Mobile:

1. Size: 1080x1920 - Background [*Format: jpg*]. Weight: 200KB.
2. Size: 1080x1920 - Foreground [*Format: png*] transparent. Weight: 100KB
3. Safe area: 300px bottom on foreground, 100px all around for background.

- 4 files in total [2 files for the desktop banner + 2 files for the mobile banner]
- 2 different sizes [1920x1080 = desktop + 1080x1920 = mobile]
- 2 different files formats [jpg + png]

(Please do not send HTML creatives – this is not compatible with our template)

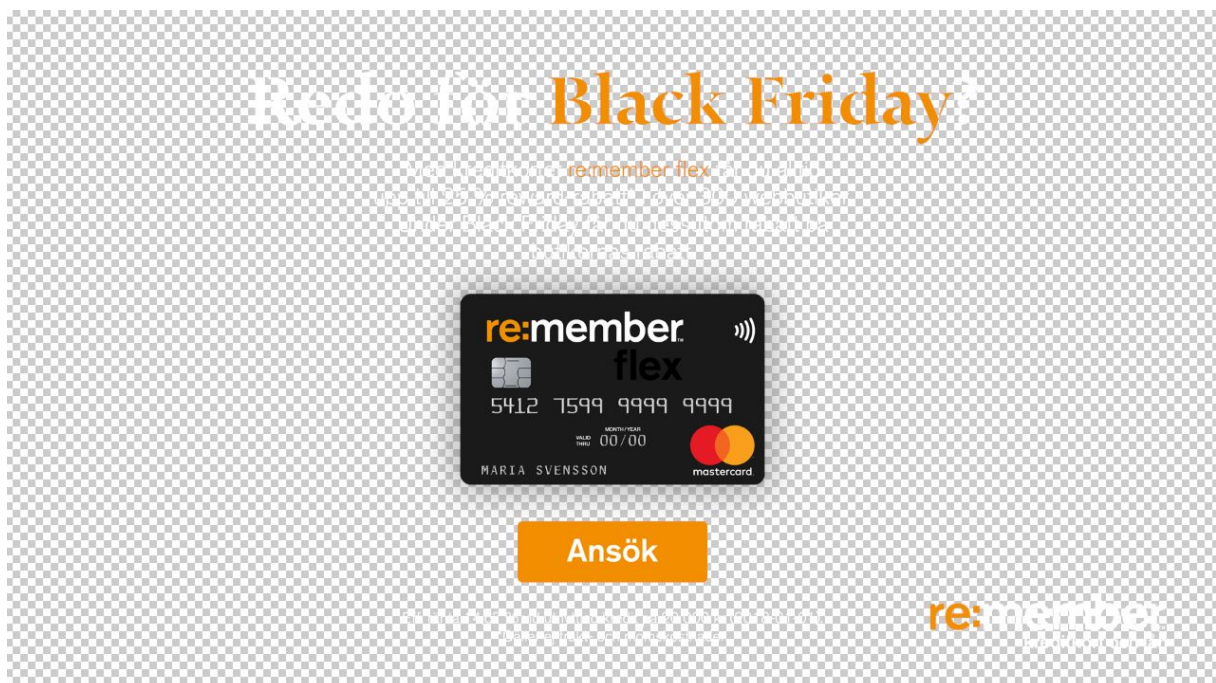

Dynamic Full Page - Example:

Desktop:

Background – the background should contain the background image(s).

Foreground – the foreground should contain the text main assets and should be transparent.
