HANDS-ON SHOOTING
ANIMALS FROM THE ZOO
**1130AM - 1:30PM**

ELMWOOD PARK ZOO

FREE event. Join us as we present this informative and fun seminar on capturing great wildlife and nature images! Whether you enjoy photographing small bugs and butterflies, larger mammals like whales and bears, or birds in flight, this seminar is for you. We will discuss many techniques that will help you capture the images you want, as well as subjects like camera settings, composition and looking for that good light.

LOCATION:
**CARDINAL CAMERA**

SEMINAR
**2:30PM - 3:30PM**

Whether you're standing on the rim of the Grand Canyon or just trying to capture colorful flowers in your garden, this seminar will provide you with helpful hints on how to best capture your subjects. We will help you see and manipulate light to create the right exposures, create powerful composition, and understand what lens to use and why! So, stop wondering, "Why don't my images come out the way I want?" This seminar will show you how to make the most of your photography.
