April 28th - May 6th will be "We Love Our Community" Week

Hunger, homelessness, illiteracy and medical needs are common problems in every community in America. Some feel helpless. Yet, there are churches throughout North America chipping away at the need one person—one relationship—at a time. That is our heart. It is through these relationships that people see, hear and receive the gospel in relevant and effective ways. Be in prayer in the coming weeks of how you can become the hands and feet of Jesus.
