

Where: Fort St. John | Grande Prairie | Edmonton | Drayton Valley | Calgary

Seeking:

Environmental Professionals
Registered Professional Foresters

Regulatory Specialists
Groundwater Specialists

Prospect is a young and energetic company, thriving on supporting the everchanging needs of our clients, as we strive to provide them with the experience and expertise to meet their project needs. We are looking for great sub-contractors to support our team. Many of our projects require individuals in areas outside of our main office locations or may require a specific expertise.

We welcome the opportunity to work with sub-contractors and look forward to hearing from all of you! Email information to khogg@prospectenv.ca.

Technical Diploma, or Degree preferred
Valid Insurance and Safety Tickets a must
References are required.
