

# Conference Schedule Wednesday 21 March 2018

## Programme & Speakers

Time	RSC, Burlington House   Picadilly, London
12:00-12:55	<b>Registration/Lunch</b>
12:55-13:00	Welcome Remarks: <b>Joe Gawronski</b> , President & COO, Rosenblatt Securities
13:00-14:00	<p><b>MiFID II and Best Execution</b> MiFID II has finally arrived, creating a new and more-complex trading-venue landscape for the buy side to navigate. This panel will examine trends that have emerged in the first few months under the new regime and look ahead to how trading behaviour may change in the months and years ahead.</p> <p><b>Graham Dick</b>, Head of Business Development, Aquis Exchange  <b>Christoph Hock</b>, Head of Multi-Asset Trading, Union Investment  <b>Richard Pinnington</b>, Equity Trader, T. Rowe Price  <b>Slawomir Rzeszotko</b>, Head of Institutional Sales and Trading, Jane Street  Moderator: <b>Anish Puaar</b>, Market Structure Analyst, Europe, Rosenblatt Securities</p>
14:00-14:30	<p><b>Fireside Chat: Stéphane Boujnah, CEO, Euronext</b>  Moderator: <b>Chris Allen</b>, Exchanges Analyst, Rosenblatt Securities</p>
14:30-14:55	<b>Break</b>
14:55-15:40	<p><b>European Exchanges Look to the Future</b> It was a rollercoaster ride for some European exchanges in 2017 and this looks set to continue into 2018. During this panel, senior exchange executives will offer their views on topics including Brexit, regulation, M&amp;A and other emerging opportunities.</p> <p><b>Simon Gallagher</b>, Head of Equities and Equity Derivatives, Euronext  <b>David Howson</b>, COO, Cboe Europe  <b>Henrik Husman</b>, President, Nasdaq Finland and Vice President Cash Equities, Nasdaq  <b>Martin Reck</b>, Managing Director, Cash Market and Head of Market Development and Operational Management, Deutsche Börse  Moderator: <b>Anish Puaar</b>, Market Structure Analyst, Europe, Rosenblatt Securities</p>
15:40-16:10	<b>Keynote Address: Tilman Lueder, Head of Securities Unit, European Commission</b>
16:10-17:00	<p><b>Focus on Proprietary Trading in Europe</b> Persistent low volatility in recent years has contributed to a tough environment for proprietary-trading firms, leading to a raft of M&amp;A activity in the sector. At the same time, prop-trading firms are looking to opportunities like asset-class expansion and dealing directly with the buy side. Hear senior European executives give their views on these and other topics.</p> <p><b>Diederik Dorst</b>, Global Head of Market Structure and Advocacy, Flow Traders  <b>Jason Overall</b>, Principal Strategy, Optiver  <b>Christiaan Scholtes</b>, Head of EMEA Markets, Virtu Financial  <b>Jamal Tarazi</b>, Head of European Trading, Hudson River Trading  Moderator: <b>Justin Schack</b>, Head of Market Structure, Rosenblatt Securities</p>
17:00-18:00	<b>Drinks Reception</b>
