

BARTER

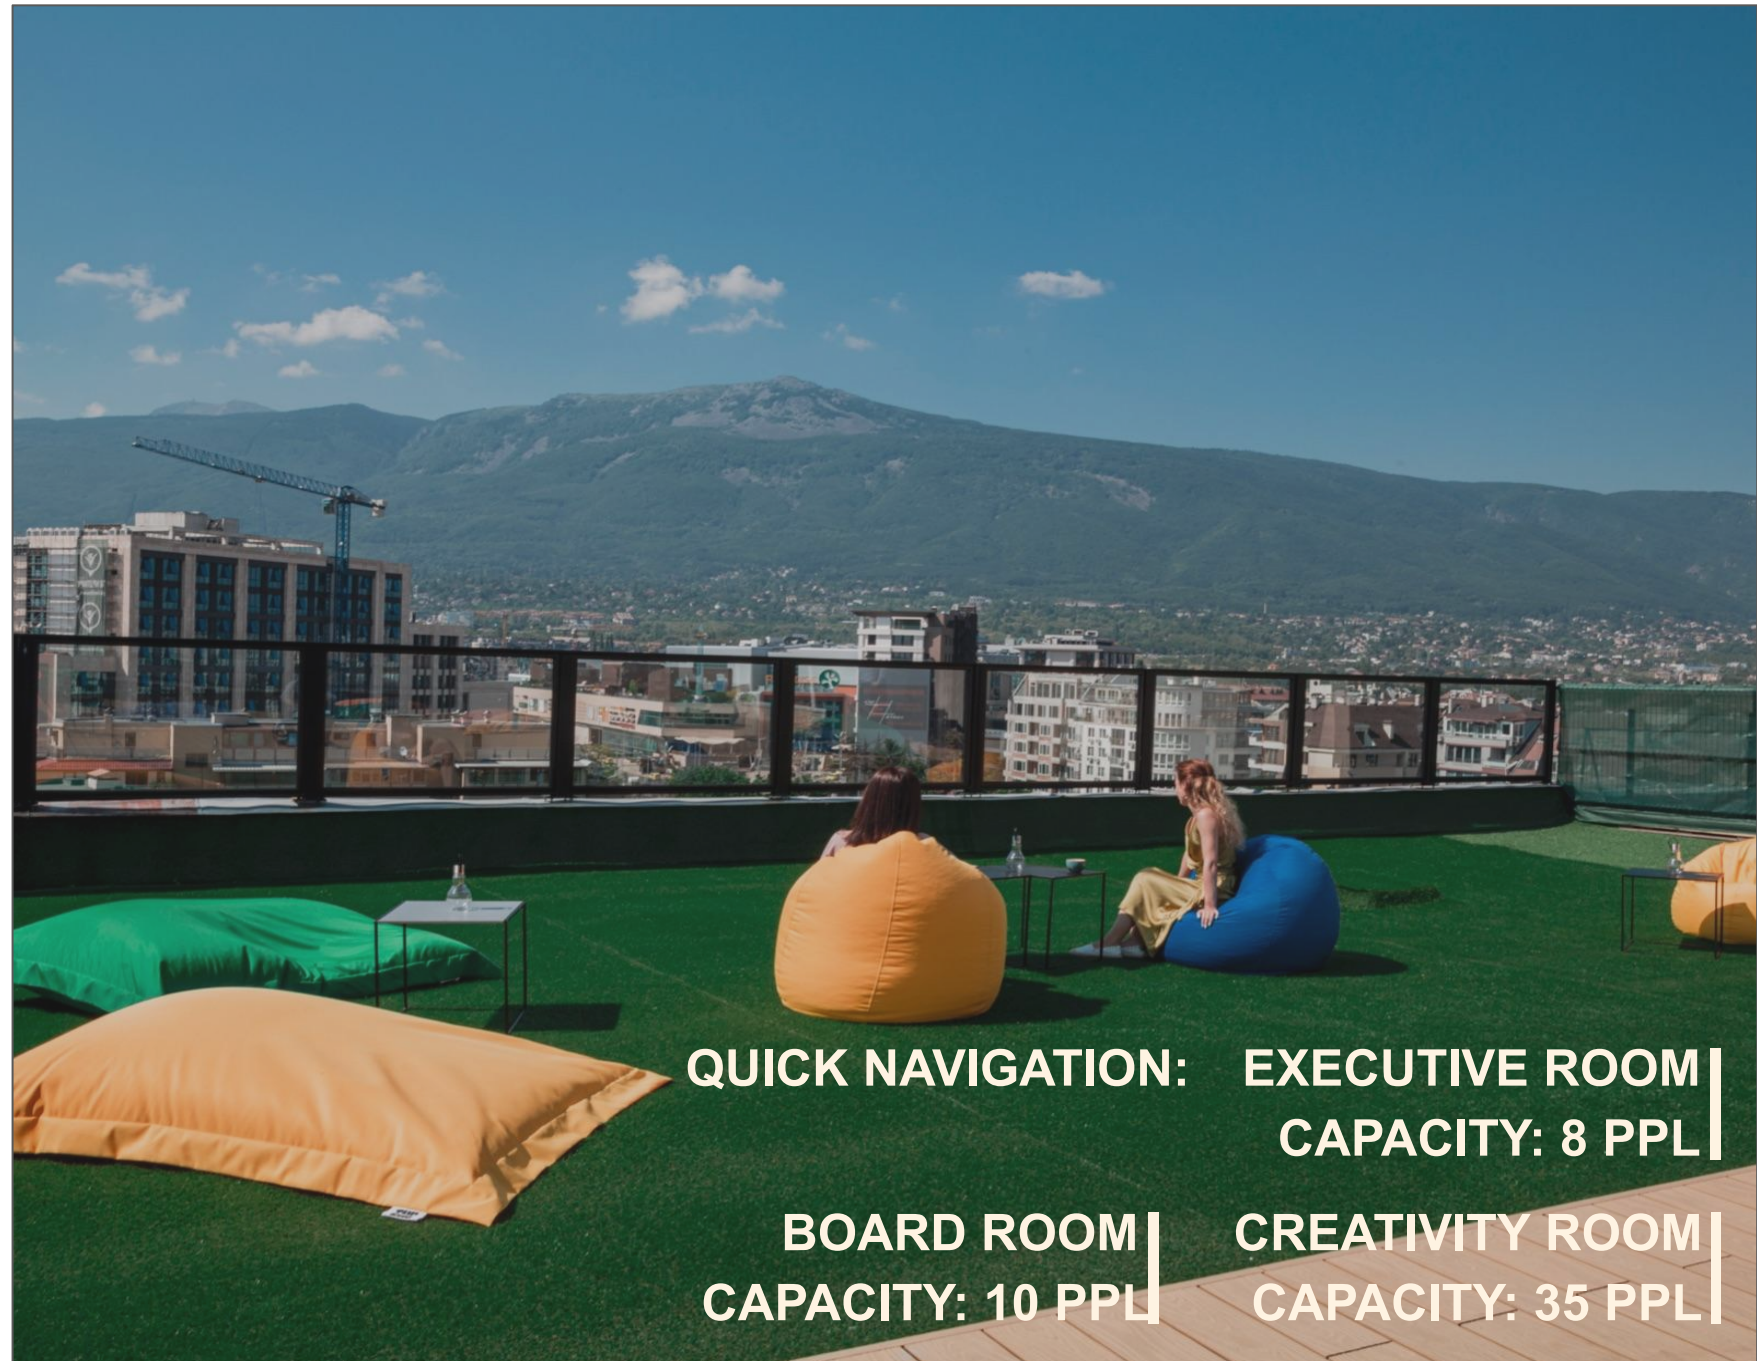

COMMUNITY HUB

MEETING ROOMS A FEW FEET AWAY FROM A BAR AND A 360 VIEW OF THE CITY.

All of Barter was imagined, designed and built by the same people who constructed Puzl CowOrKing.

This means that the interior is gorgeous, ergonomics are in place and every last detail tailored to the taste of the people we want to see grow.

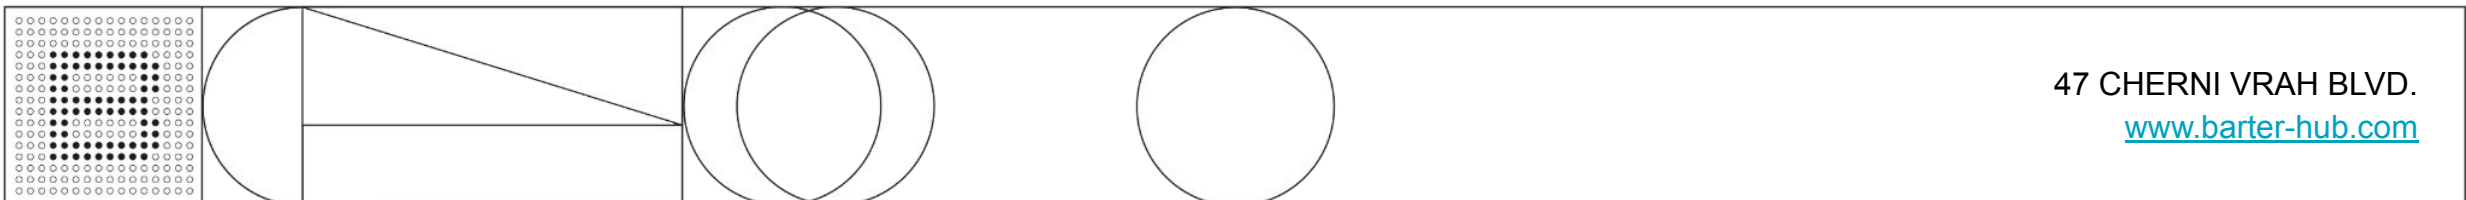

And the Community Hub's Meeting Rooms are the most exclusive part of the place.
