

# BEXLEY GRAMMAR SCHOOL

**Project Name:** Bexley Grammar School,  
Kent

**Contract Period:** 36 Weeks

**Description:** Construction of a two/ two and a half storey infill extension block to form a performing arts studio and a sixth form common room. This also included a circulation space as it was an infill between two existing blocks. APC Building Services were employed to manage the construction and the contractors design, aswell as the design and installation of groundworks and steelframe.
