Frequently Asked Questions

When do I get paid?

We issue your referral payment to you once your referral's company signs their contract with Eden Health.

How will I get paid?

Once you're eligible to receive the referral bonus, we'll begin processing your payment. We'll reach out for additional details, and you'll be paid via check sent to the address you provide. For payments above \$600, Eden Health must issue you an IRS Form MISC-1099.

What happens if the company I refer hires more employees after they become an Eden Health customer?

Due to administrative complexity, we will not compensate you for additional employees hired after the company signs with Eden Health.

Can I participate if I'm not an Eden Health member?

Yes!
