

TE MĀTĀURU ki Te Tai Rāwhiti

Te Tai Rāwhiti Iwi Cluster Investment Plan

Tukuna te Reo Kia Rere Noa

Ō Mātau Wawata

What we want?

Te Pae Motuhake will ensure that this plan encourages:

- innovation;
- inspiration and motivation;
- retention and growth in reo ā-iwi;
- identity - Iwi, Māori;
- celebration of who we are/our language.

Priorities for investment:

- providing information and awareness about Māori language;
- developing ways in which to support iwi language revitalisation;
- developing ways to ensure iwi language revitalisation initiatives meet the needs of marae, hapū, communities;
- Māori language use and transmission in homes (from parent/child and grandparents).

Our approach for iwi/regional language revitalisation:

Auahatanga - new and innovative ways of working.

Ahikā - investing in revitalisation initiatives that impact on the language of our region's tribes.

Kāinga - reinstating language in the home.

Ka Pēhea e Tutuki Ai?

How we will achieve it?

Pou Kaiāwhā

Key Investment Area 1:

Whiua te reo!

Investing in opportunities to engage in te reo

Key Investment Area 2:

Te reo kia rere!

Investing in opportunities to use te reo

Pou Tokomanawa

Ngā Hua ka Puta

What will we see?

Measures:

- Increases in Māori language speaking homes;
- Kaupapa kōrerorero - events that showcase iwi/hapū/marae reo;
- Existing and proven pathways to language use are increased;
- Inspirers are recognised (and this group is retained/grown)
- Support is provided to language leaders/champions;
- Increase in number of new initiatives;
- Increase in number of Pou Kaiāwhā, Pou Tuarongo, Pou Tokomanawa.

Total appropriation will be expended against investments that support ahikā reo revitalisation.

Investments will be split between a focus on:

- Engaging (language planning) in Te Tai Rāwhiti reo revitalisation;
- Using (immersion domains) te reo Māori along with unique Te Tai Rāwhiti dialectal variations.
