ATTENDANCE

Attendance Policy

Good school attendance is a key to successful academic performance and promotes the habits of punctuality and responsibility that benefit the student in all aspects of life. In addition, good attendance is a life-long skill that needs to be cultivated to aid in the successful development of the child.

Students will be permitted 10 days of absence each semester. These absences may be due to illness, vacations, or outside functions. After 10 missed days, the student must have a doctor's excuse for each subsequent absence. If there is not a note from a physician indicating a need for the student to miss school, he or she will no longer be allowed to make up any of the work missed during that absence, i.e. tests, projects due on that day, homework.

If a student misses 15 days of school (with or without a doctor's note) per semester, the principal may expel the student from Cathedral of the Risen Christ School. (The administration will take into consideration extenuating circumstances that may affect any decision.) Should the parents choose to do so, they may appeal that ruling with the Rector of Cathedral.

Absences

- Parents are to notify the office between 7:00am and 8:10am to report *each* day their child will not attend school. If the school is not notified, a call will be made to their home or place of business to check on the student's unaccounted absence.
- If your child has symptoms of illness, please keep the child home.
- When a student enters or leaves school during the day he/she must be signed in/out at the office by a parent or guardian.
- No student is allowed to leave the school building or premises during school hours without permission from CRC staff, and/or at the written request of the parent or guardian.
- Work assignments may be obtained for the current calendar day upon parent request, preferably to be picked up at the close of the day. Students are allowed **two** days for each absence due to illness to complete make up work. Any assignments not given in advance will be given upon the student's return to school.
- Parents Out-of-Town: When parents leave town, they are to notify the school as to who is responsible for the children during the parents' absence. Please include the person's address and phone number in this information.
- Vacations and Outside Functions: Vacations and other outside functions are discouraged during the school year and should be planned during scheduled breaks. **No school work will be planned by teachers prior to a vacation longer than 2 school days.** Students are allowed **one** day for each absence to make up work due to vacations and/or outside functions. It is the parents'/students' responsibility to see that work is made up after returning to school.

Tardies

Students are considered tardy if they are not in their classrooms by 8:00am. Students who are tardy must report to the office before going to class or Mass. Students should never be dropped off directly at church during Mass.

On a typical full day, the following policy is in place. Please take these times into consideration when scheduling appointments for children.

- 1.) Arrival prior to 10am is considered tardy.
- 2.) Arrival after 10am is considered a half-day absence.
- 3.) Departure prior to 1:20pm is considered a half-day absence.
- 4.) Departure after 1:20pm is considered a full day of attendance.

To report a tardy or absent student, please contact Mrs. Becky Mroz at 489.9621. Feel free to leave a message.

HEALTH

Health Records

The school works under the requirements of the Department of Health and Human Services in securing and recording health information. The school maintains cumulative health records, screening results and immunizations for each student. Students are mandated by the State and Diocese to meet the age-appropriate requirements for proper immunizations. In assessing the health of each student, the school operates the following program:

1. Secures forms from kindergarten and seventh grade students indicating the results of a medical examination by a physician.
2. Recommends dental examination yearly.
3. Does vision, height and weight screenings for students in grades kindergarten through eighth grade.
5. Personal Religious Conscience: Parents/guardians must submit a sworn and notarized affidavit listing which required immunizations have not been received. Please contact the main office for this affidavit and the Catholic Diocese of Lincoln policy regarding immunizations.

Medication

Any student who is required to take medication during the regular school day must comply with school regulations. These include:

- * All medications must be kept in the school office. (This includes aspirin, other over-the-counter medicines, and inhalers). Cough drops, however, should be kept in the student's homeroom.
- * Medication must be brought to school in the original container appropriately labeled by the pharmacy or physician.
- * Written permission from the parent or guardian must accompany the medication, including the student's name, name of the medication with dosage, frequency, time of administration, date of the order and discontinuation date. Permission forms are available in the school office.

Volunteer School Nurse Program

The school nurse program is run by volunteer nurses who are at school on a daily basis from 10am to 2pm. Many of our nurses also visit classrooms to discuss proper hand-washing technique, germs and other hygiene issues. Nurses administer medicine and also track and document asthmatic and diabetic students when not placing bandaids or distributing medications. If you are interested in volunteering your time and talent please contact cathedral-info@cdolinc.net call 489.96221

* First aid administered by office staff includes bandaids, ice packs, antibiotic ointment, first aid spray and/or hydrocortisone cream as deemed necessary. Parents/guardians are asked at the start of each school year to indicate objections to these standard procedures.

* **The Department of Health and Human Services recommends that students absent due to fever remain out of school 24 hours after their fever is gone.**

The Cathedral Junior High teachers have a conduct policy which includes a demerit system, detention and referrals to the Principal's Office.

Hallway Conduct

Students will respect the learning taking place in the various classrooms as they move through the halls of Cathedral School. Failure to do so will result in consequences levied
