Mira with BlueJeans Video Conferencing

Mira Visit brings the power of **BlueJeans** video conferencing to your **Mira Screen Signage**. Huddle with employees, visit with guests, conference between locations, or even share your computer screen right onto your Mira display without having to juggle devices or figure out your AV system.

Employee Communications Made Easy

30 SECONDS TO INSTALL

Just plug an approved camera into your MiraLink, add a BlueJeans Meeting to your Mira dashboard, and you're ready to Mira Visit.

CENTRALLY MANAGED

Easily manage your Mira Visit sessions from your computer or phone.

WIRELESS SCREEN SHARING

Just share your computer screen to your BlueJeans meeting and watch it magically appear on your Mira display.

Use Cases

1 STAFF MEETINGS

Mira Visit allows you to seamlessly conference with deskless employees, like those you might find in brick-and-mortar businesses. Remotely visit for one-on-ones, all-hands meetings, or team gatherings.

2 EMPLOYEE TRAINING

Organizations spent an average of \$1,252 per employee on training and development initiative according to the Association for Talent Development. Save money by training disparate employees remotely with Mira Visit.

What is a
MiraLink?

MiraLink is a small HDMI device that transforms any TV into a digital sign. Just plug it into a screen and within moments you'll be publishing content.
