Conflict Materials (Dodd Frank) Statement

Issue Date: July, 12th 2018

Meron Medical, to the best of our knowledge, does not purchase or supply raw materials that contain Tin, Gold, Tantalum or Tungsten originating in areas of conflict. Meron Medical will apply due diligence to ensure that any material purchased containing those elements are from approved smelters. Additionally, Meron Medical mitigates the risk through the use of an Approved Supplier List composed of assessed and established material suppliers with demonstrated social responsibility.

This statement is factual based on our current knowledge and understanding.
