Poulin Grain, Inc. is a Vermont based feed and grain manufacturer serving customers throughout the northeast through a network of dealers and a farm-direct program. Owned and operated by the Poulin family for three generations since 1932, the company operates mills in Swanton and Newport, Vermont and Canton, NY.

Poulin Grain is committed to research-driven product development, customer education in animal nutrition management, and state-of-the-art manufacturing of animal feeds and supplements.

# The Program

## Goal

To provide a program of quality feeds, education programs and funds for non-profit clubs (approval by Poulin Grain, Inc. (501 C 3 required) to use to further their goals. This program rewards clubs for their purchases of feed.

Poulin Grain believes that the future of agriculture is with the youth that participate in 4-H and other clubs. These clubs provide educational and learning opportunities for youth. Through these opportunities, we are building the farmers and educated animal owners of tomorrow.

## With this program, Poulin Grain commits to:

- ◆ **Supplying quality feeds:** based on proven research, we bring you the latest and best nutrition for your animals.
- ◆ **Supplying quality education seminars:** whether it be poultry, equine, goats or pigs, we have a basic nutrition and animal husbandry program adaptable to your club.
- ◆ **Providing funds to support the club:** each purchase of Poulin Grain products earns the club monies.

# Sign Up Now! Sign Up Now!

This program will be evaluated at the end of each year. We value your participation and input on this program! All non profit clubs must be approved by Poulin Grain.

Contact Joanne at Poulin Grain, Inc. 800-334-6731 if you have any questions.
