

Did You Know? 2021 Update

Autumn Glen is a deed restricted townhome community.

AG residents comply with property covenants, conditions and restrictions (CC&Rs).

Autumn Glen protective covenants were created by the developer, D.R. Horton, to benefit property owners. Monthly dues finance routine exterior maintenance of: landscape, irrigation, paint, stucco, the roof, and the cost to employ a licensed property manager. The mission of the volunteer HOA is to keep AG safe, clean, and attractive to maintain property values.

Please respect the CC&Rs and keep Autumn Glen a desirable place to call home.
