

SOAP

Reading the Bible every day can change the rest of your days, and God's word—the Bible—is the primary way He speaks to us. It's the absolute best way to discover how to follow Jesus. Reading the Bible will bring you hope, encouragement, guidance, and practical advice on the everyday issues you're facing. It is relevant to everyone, everywhere, at any time.

Whether you are just beginning or have read your Bible for years, this method offers flexibility and helps integrate what you've read into the broader story of the Bible.

HOW IT WORKS

SCRIPTURE

Take your time reading each chapter and allow God to speak to you. Look for a verse or two that particularly spoke to you and write it in your journal.

OBSERVATION

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal Jesus to you. Maybe paraphrase and write this scripture down in your own words in your journal.

APPLICATION

Personalize what you have read, by asking yourself how it applies to your life right now. Write how you can live out this scripture today.

PRAYER

This can be as simple as asking God to help you use this scripture, it may be an intercessory prayer for someone else, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say and journal about it.
