Staying safe in paradise.

KEEPING OUR GUESTS SAFE

Hello stoked surfers!

And thank you for taking the time to read this update in its entirety. Here at Beach Break Surf Camp we want to ensure both our staff and guests are welcomed with a safe environment which complies with all of Panama's health and safety policies to help mitigate the spread of Covid-19. We have gone through a complete review of our surf camp, hotel, restaurant, and fitness facilities to make sure that all measures are being taken to make for both a safe, as well as, comfortable stay for our guests.

The most important advantage that we have here is that we are completely outdoors. There are practically no closed common spaces throughout the hotel. Each room has its own individual entrance and individual air conditioner, so it does not share air flow with neighboring rooms. The hotel reception and guest greetings for check ins are done outdoors with proper social distancing.

In addition to our natural, open air, advantage, we have taken extra precautions with the cleaning of all common spaces

STAY SAFE! LIVE LIFE!

throughout the day. All daily cleaning has been in accordance with local health and safety regulations. We have made a commitment to go above and beyond our already high standards for cleaning rooms. All staff members are required to wear masks and have the temperature taken every day. Hand washing stations have been conveniently placed throughout the hotel and common areas, as well as distancing of pool/ lounge chairs.

We ask that our guests use masks while in and around the hotel but are not required to do so when on the beach, surfing (obviously 😊), or while eating/ drinking in the restaurant. Guests will have their temperature checked up arrival and all social distancing efforts have been made to minimize contact with staff.

From the bottom of our hearts we appreciate the effort, time, and energy to come to our humble surf camp for your holidays. We, as always, will stay absolutely committed to giving our guests to best possible surf camp experience possible and memories that they will never forget.

Thank you,

The Beach Break Surf Camp Team
