

The Original Rhythm

Heartbeat, harmony, history!

Latin Sparks wants to pay homage to the magic of Afro roots in Latin dance with FREE dance classes and a Q&A, with some of the best dance instructors in Canada!

As one of the largest Latin festivals in Canada, we have benefited greatly from the contributions of Afro culture and rhythms. We believe it is our duty to pay homage to the often unknown and forgotten originators, Afro Latinos, whose contributions have allowed us all to celebrate the incredible music and dance across Latin America.

Every Saturday from November 21 – December 5 from 12pm – 2pm, we will be hosting FREE dance workshops and a Q&A on our Instagram Live ([@latinsparksfestival](#)). Each instructor will showcase a specific dance genre, teach an intro-level dance class, and lead a Q&A where they will educate viewers on the genre's origins in African culture.

Latin Sparks Festival started in 2012 as a street festival in Ottawa with only a few dozen attendees celebrating the culture of Latin dance. It has since expanded into Toronto with tens of thousands of people from across Canada and the U.S., making it one of Canada's largest Latin festivals.
