AUTUMN ADVENTURES

Treasure Hunters

October 14, 25

Lime Hollow is ablaze with color and changes are in the air. Birds and butterflies are migrating; leaves are falling, and animals are preparing for winter. Embrace the spirit of Columbus and test your orienteering skills while hunting for nature's treasures. Make debris shelters and jump in leaf piles, carve pumpkins, and bake some delicious fall foods.

Harvest Happenings

November 1, 11, 12

Celebrate the end of harvest season with a smorgasbord of food, music and your favorite art meadow games. Hike the bog while searching for cranberries. Warm up with delicious handmade treats as we sing songs by the fire savoring the last few days of the fall.

WINTER WONDERS

Trails and Tales

January 20, 27

Lime Hollow's winter trails have many tales to tell. Normally secretive mammals leave records of their comings and goings in signs and tracks left in the snow. On the way to our favorite sledding hills, we'll discover many mysteries. Whose track is that? Where did the animal go...and why? To end our day we'll sit by a warm campfire and share our stories while sipping hot cocoa.

Nordic Challenge

February 17-21

(\$25 for overnight)

We'll test our skills and, at the same time, beat cabin fever while playing outside in the snow! We'll snowshoe to Lime Hollow's hidden woods; build snow tepees and snow caves, and learn secrets of building fires in the cold. We'll enjoy sledding down the legendary Sandwich Hill. Spend one night camping either in a snow shelter or, if preferred, in the Education Center! Are you ready?

SPRING SURPRISES

Maple Magic
March 13, 16 & 20

Get sticky at the Hollow as we discover the sap a 'flowing. Learn the maple syrup process and enjoy a big stack of pancakes topped with our very own sweet maple syrup.

Spring Awakening
April 6-10, April 13
(\$25 for overnight)

Spring is in the air! The days are getting longer and nature is on the move. Come travel our trails to wild corners and search for signs of new life. Explore our many ponds and puddles, woods and fields. Roll up your sleeves and dig up some fun. We'll tend the garden, plant some trees, catch a few frogs and brew some tea. Spend one night under the stars! Are you ready to awaken your senses after a long cold winter?
