

# Forest Preschool Interest Application 2021-2022 School Year

At Lime Hollow Forest Preschool, we follow a child-led, play-based curriculum, while tracking the NYS Standards for Early Childhood Education. While children run, jump, splash, climb, dig, build and play together, they are gently guided toward a deep love and respect for the earth, themselves and their community. Through outdoor immersion, children are mentored to form a deep connection to nature and to find their place in it. Lime Hollow Forest Preschool is a NYS licensed Child Care Center.
