Join Us For Sunday School!

Each Sunday at 9:15 a.m.

Sunday School offers a place to listen and learn with others about God. Registration is ongoing and new children, preschool age to 8th grade, are always welcome.

- Sunday, September 30th is prize day at Sunday School. Those who attend on prize day choose a prize based on attendance for the month of September.
- Remember to bring your offerings to Sunday School each week. Offerings support the Sunday School program.

Sunday School is still in need of a teacher to share responsibilities for the 3rd-5th grade class, as well as youth helpers to assist teachers in various classes. If you are interested in helping, please call or text Vicki Begick at 525-3733 or Lynn Hendrick at 450-1969.

Did You Get the Phone Call?

With the power outage last week, Mr. Lustila had the opportunity to try out our phone blast system with School Messenger. If you did not receive that phone call, please let the office know. School Messenger is a notification system that we use to notify parents via a phone call/email of school closings, emergencies, or other special events. The system will make a call out to the phone numbers that were listed as "cellular" or "home" on the Enrollment Application. When the call comes in, the caller id will show the number 989-684-4450. If you would like to verify or change your contact number, please let the office know.

You're Invited

On Thursday, September 20, at 6:30 p.m. in the school auditorium, come meet and listen to POBLO Missionary Joy Markus. Joy will share her life story of how she came to know Christ as Savior while living in Kuwait. Hear how she was miraculously able to escape her dangerous situation and the threats on her life. Please take advantage of the opportunity to hear the story of God's grace in Joy's life.
