

Keeping your loved ones safe.

As our loved ones age, they have a higher risk of financial mishaps, or even financial exploitation. Here are some financial red flags to watch for so you can keep them, and their finances, protected.

- **Missing belongings**
- **Bills not getting paid**
- **Late bills and fee charges**
- **Bank accounts diminishing at quick rates**
- **Unfamiliar checks being written**
- **Unauthorized purchases**
- **Lending money**
- **Donations**
- **Giving away of family heirlooms**
- **Missing items**
- **Low supplies**
