Our Services

*P*aget Center is a Veteran housing program that provides emergency housing to 12 homeless Veterans for up to 60 days. Our goal is to "leave no man behind" by linking Veterans to services and benefits that help them find employment and permanent housing.

Our program is administered by Veterans for Veterans. Many of our staff have made the difficult transition from military to civilian life. The mission of our program is to help end homelessness among Veterans.

Like most aid-stations placed strategically behind combat zones, Paget Center stands poised to receive Veterans who are in need of support and treatment.
