

VETERAN COMMUNITY CORNER

Bringing you the latest updates and events for the Santa Cruz Veteran Community

Cookies, Cocoa & Connection

December 16 from 2-4pm

This special drive-thru event will feature hot cocoa & cookies and a “connection kit” which will pair area seniors together for a series of fun over-the-phone and virtual activities during the holiday season. Seniors will be challenged to connect with their match at least three times between December 16 through December 31.

Intro: Our goal is to help bring a little cheer and alleviate some loneliness and isolation during this challenging time. Please help us spread the word to seniors you know who might be interested in participating. Even for those who still have active social lives and aren’t feeling the weight of isolation during the pandemic, please consider participating to help connect with another senior who isn’t as lucky.

Event info:

Registration is required by Monday, December 14th. Register for the event, [please fill out this form](#) or call us at 831-420-6177. Seniors who complete this challenge with their match and let us know by Friday, January 8th will be entered to win a prize.

Vets 4 Vets – Amazon Smile

Vets 4 Vets just got set up with an Amazon smile account. This means that if you use [amazon.com](https://smile.amazon.com), you can set it up so that Vets 4 Vets receives a small donation every time you order. To get this set up all you have to do is click on the link below and enter your amazon password. Every future order will automatically result in Vets 4 Vets receiving a donation. It's so easy!

Find your Future: Cabrillo IT Institute

You can get a jump start on a new technical career with our first ever IT Institute, starting January 25 in a cohort of 30 students! From the dedicated support of IT faculty, to an all-new curriculum combining technical knowledge with career coaching, this 11-week intensive program is designed to give you new skills and help you find a good paying job as an IT professional. You will learn from experienced faculty and staff who have worked in IT and get access to career resources that support your job search. Best of all you will get one-on-one and group support from the Cabrillo CIS IT Institute Team.

What You'll Learn

- IT Support Fundamentals: Troubleshooting, customer service, networking, operating systems, system administration, automation, and security
- Career Skills: Interviewing, resume building, negotiation, conflict resolution, and teamwork

Program Details

- 11-Week Program | Starts Jan 25, 2020
- 8 Online Classes | Both Self-paced & Instructor Led
- Total Program Time 20 - 25 hours of class time | Plus 20 hours self-study time
- Class Times | Monday – Friday | 9 am - 2 pm
