

## 20-21 COSMETOLOGY PAYMENT OPTIONS

High School students attending PTC will need to purchase a kit. This kit is composed of supplies that will be needed throughout the program. They can also be used as they move forward into their career. To help offset the cost of the kits, PTC has chosen to not include a blow dryer or a curling iron in the kit. The school will provide these items for the student to use while in the program.

Below are three payment plan options. Please come to Entrance A of PTC by June 1 to pay the \$50 non-refundable deposit and to select a payment plan.
