

LIMITED WARRANTY

The limited warranty specified below (the “Limited Warranty”) is issued by [Sunflare Corporation], located at [1693 Yeager Ave, La Verne, CA 91750], or its successors or assigns (“Sunflare”), and shall apply exclusively to Sunflare Solar Module models listed under Section 14 below (the “Module(s)”) sold by Sunflare, and extend only to the original end use purchaser (“Customer”).

1. WARRANTY START DATE

The warranty start date (“Warranty Start Date”) shall be the date of purchase by the original end use purchaser. If the Customer is unable to provide adequate documentation of the original purchase, the Warranty Start Date shall be ninety (90) days after the Module(s) was manufactured.

2. 2 YEARS LIMITED WARRANTY FOR MODULE(S)

Subject to the terms and conditions of this Limited Warranty, Sunflare shall, at its sole option, repair or replace the Module(s) if it proves to be defective in material or workmanship for a period ending two (2) years from the Warranty Start Date under normal application, installation, use and service conditions (a “Product Defect”). Any deterioration in the appearance of the Modules(s) (including, without limitation, any scratches, stains, rust, mold, or Normal Wear and Tear (as defined in the Installation Manual attached hereto as Annex A)) or any other changes to the Modules(s) which occur after delivery (Incoterm 2010) to the Customer, do not constitute a Product Defect under this Limited Warranty. This Limited Warranty does not warrant a specific power output of the Modules, which shall be exclusively covered under Section 3.

3. 25 YEARS LIMITED WARRANTY FOR POWER OUTPUT

Subject to the terms and conditions of this Limited Warranty, Sunflare warrants that for a period of ten (10) years from Warranty Start Date the actual power output of the module shall be no less than ninety percent (90%) of the labeled power output. From the eleventh year, the warranty for power output shall decline annually by no more than [0.8]% in each of the remaining fifteen (15) years, so that during the twenty-fifth (25th) year, an actual output of at least 80% of the labeled power output shall be achieved (the “Performance Warranty”). Failure to meet the Performance Warranty is defined herein as a “Performance Defect.” In the event of a Performance Defect claim, the power output of any Module(s) described in this Section 3 shall be measured by Sunflare under the Standard Test Conditions defined in the IEC standards EN 61215 and 60904-3 in effect as of the Warranty Start Date.

4. REMEDIES

a. Defect Remedy

If Sunflare determines, following a Warranty Claim, that a Module has a Product Defect, then Sunflare shall, at its sole discretion, within a reasonable time: (i) remedy or repair the Product Defect; or (ii) provide a replacement module in place of the Module(s) with the Product Defect.

b. Performance Warranty Remedy

If Sunflare determines following a Warranty Claim that a Module has a Performance Defect, then Sunflare shall, at its sole discretion, within a reasonable time: (i) remedy or repair the Performance Defect; (ii) provide a replacement module in place of the Module(s) that has the Performance Defect; or (iii) make up the difference to the guaranteed power output by replacing the Module(s) or providing additional modules.

c. Sole and Exclusive Remedy and Obligation

The remedies set forth in this Limited Warranty shall be the sole and exclusive remedies, and the original warranty period in this Limited Warranty shall not extend beyond the period set forth therein, nor shall a new warranty period begin, upon repair, replacement or pro-rated refund due to power loss at Sunflare’s sole option provided under this Limited Warranty. In the event the Module(s) is no longer available, Sunflare reserves the right, at its sole option, to deliver new or remanufactured module(s) that may differ in size, color, shape, model number, and/or power level.

5. LIMITED WARRANTY EXCLUSIONS

The aforementioned “Limited Warranty” does not apply to any Module(s) which have been subjected to:

- a) failure to pay the purchase price for the Module(s);
- b) usage, transport, storage, installation and/or handling in any manner that fails to strictly comply with the installation manual and the packaging and transportation information sheet applicable to the Module(s);

- k) the Customer fails to notify Sunflare of a Product Defect or Performance Defect within thirty (30) days of the initial discovery or prior to the end of the applicable warranty period set forth in Section 2 or Section 3.

6. LIMITATION OF WARRANTY SCOPE

EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THE MODULE(S) IS LIMITED IN DURATION OF THIS LIMITED WARRANTY. UNDER NO CIRCUMSTANCES SHALL SUNFLARE BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES INCLUDING, WITHOUT LIMITATION, LOST GOODWILL, LOST REVENUES OR PROFITS, WORK STOPPAGE, MODULE(S), FAILURE, IMPAIRMENT OF OTHER GOODS, COSTS OF REMOVAL AND REINSTALLATION OF THE MODULE(S), LOSS OF USE, INJURY TO PERSONS OR PROPERTY ARISING OUT OR RELATED TO THE MODULE(S). SUNFLARE’S TOTAL LIABILITY, IF ANY, DAMAGES OR OTHERWISE, SHALL NOT EXCEED THE INVOICE VALUE PAID BY THE CUSTOMER FOR THE MODULE(S) OR SERVICE(S) FURNISHED, WHICH IS THE SUBJECT OF A CLAIM OR DISPUTE.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES THE CUSTOMER SPECIFIC LEGAL RIGHTS; CUSTOMERS MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

7. WARRANTY CLAIMS

a. *Customer Inspection*

The Customer must inspect the Module(s) for visible defects when delivered. The Customer must notify Sunflare of any defect immediately, but in no event later than thirty (30) days any such defect was discovered during such visible defect inspection process.

b. *Warranty Claims*

The Customer shall be entitled to make claims under this Limited Warranty (“Warranty Claims”) only if the Customer has provided documented evidence sufficient to prove that the malfunctioning or non-conformity of the Module(s) resulted exclusively from a Product Defect or Performance Defect covered by this Limited Warranty. If the Warranty Claim is based on glass breakage, then the Customer shall conduct a static load calculation on the substructure.

c. *Warranty Claim Compliance*

The Customer must comply with Sunflare’s then-current return merchandise authorization (“RMA”) process to make any Warranty Claim. Sunflare shall not accept any Warranty Claims not in compliance with the RMA or Warranty Claims that use the delivery of any unauthorized return shipments of Module(s).

d. *Warranty Claim Procedure*

The Customer is responsible for shipping the Module(s) to Sunflare for evaluation at the Customer’s expense. Sunflare shall pay the costs of a technical inspection and, in the event that the Warranty Claim is confirmed by such inspection, transportation. Otherwise, the Customer shall be charged with these costs. To make a Warranty Claim, the Customer must submit the original receipt or invoice, which bears the date of the purchase and of the delivery and the serial numbers of the relevant Module(s).

e. *Ownership Interest*

The Module(s) sent to Sunflare in the course of the RMA process shall remain the property of the Customer until any inspection has been completed and Sunflare provides a replacement or refund. At the time any refund or delivery of a replacement Module(s) to the Customer takes place under this Limited Warranty, the ownership interest of the defective module passes to Sunflare.

8. OBTAINING WARRANTY PERFORMANCE

Customers who believe they have a justified claim covered by this Limited Warranty must immediately submit such claim in writing, with supporting information including but not limited to the claimed quantity, serial numbers, purchasing invoices and proofs, to Sunflare within the applicable warranty period specified above to the following address, or such future address as Sunflare Solar may provide from time to time:

9. FORCE MAJEURE

10. DISPUTES

Except to the extent prohibited by applicable law, the Customer agrees she/he shall not bring any action, regardless of form, arising out of or in any way connected with this Limited Warranty, more than one (1) year after the cause of action has occurred.

11. SEVERABILITY

If a part, provision or section of this Limited Warranty, or its application to any person or circumstance is held invalid, void or unenforceable, such holding shall not affect this Limited Warranty and all other parts,

13. WAIVER OF JURY TRIAL; JURISDICTION

14. VALIDITY
