

# Montana

Land in Kalispell airport - closest airport to GNP east side.

\* if you land late and they run out of cars, they upgrade you to premium free!

---- 9 min drive to grocery store ----

Buy groceries at Super 1 Food market

---- 2.45 hrs to Many Glacier Campground -----

[Many Glacier Campground](#)

## swiftcurrent inn

- \$25 non refundable / night
- Fire pit is not allowed during high fire season
- Grinnell Glacier and Iceberg Trails are located on or right next to the campground, driving is not necessary.
- Plenty of parking for the hikes

- Clean drinking water found all over the campground
- Bathrooms are EXTREMELY clean compared to all the NP I've been to
- Showers are located at the SwiftCurrent motor inn right in the campground - \$3.50 for 8 min and 30 sec.
- SwiftCurrent motor inn (restaurant, inn and convenient store)

----- 45 min drive from campground to the Visitor center -----

- Best photo op spot with the GNP sign!
- There are bathrooms located in the visitor center

---

## [Going-To-The-Sun Mountain](#)

# going to the sun

- The road was closed due to the wildfires at Logans Pass

- The drive starts from the visitor center
- 

## Virginia Falls

# virgnia falls

- 3 mile hike
- along the Going -To -Sun - Mountain road.
- Bathrooms are a 2 minute drive pass the trailhead
- plenty of parking along side the road before and after the start of the trailhead
- VERY kid friendly

## Grinnell Glacier Trail

# grinnell glacier

- 10 - 14 mi rt
- average 6 hours to hike at 1600 elevation
- hike is marked as strenuous
- There is 1 bathroom at the beginning of the trail and 1 last bathroom .5 miles before the endpoint at the glacier
- Bring binoculars! Plenty of wild life sighting
- EVERYONE had bear mase and bear bells on them to warn off the bears.
- Highly recommend to start hiking when the sun is out, have been warned that bears are highly active at the break of dawn
- 

----- 2.45 hour drive back to Kalispell Airport -----

Last gas station is 9 minutes from the airport

## RECOMMENDATIONS

## **Hikes recommended by the locals**

- Hidden lakes trail
- Flathead lake
- Iceberg lake

## **What to eat**

- Montana is known for their HUCKLEBERRY ( mix between a Blueberry and Blackberry)
- Two Sisters Cafe - YUM - had the bison burger and Huckleberry Pie! (Someone try their Huckleberry cheesecake, it looked really good), CLOSED during winter season.
- Tim - Garlic Parmesan chips from the Super 1 Food Store! Might change your life if you're into kettle chips
- Every bread we bought was weirdly delicious. Even the loaf we bought from the supermarket! Try it out!
