

Dear Families,

The Kids' Weekend Backpack Program will service all of the Butler area K-4 elementary schools for the 2018-2019 school year. **This program is to help students who may be in need of weekend food supplies.**

Each student in this **FREE** program will receive a plastic bag packed with child-friendly, single-serving snacks, and easily prepared meals each Friday. At this time **ANYONE** can be in the program as long as you sign and return the form below to your school's office or classroom teacher. Your signature means that you would like your child/children to be in this program. You can sign up anytime during the school year. **Anyone interested must return a signed form.**

For more information about the *Kids' Weekend Backpack Program*, please contact Kim Thomas at kimberly_thomas@butler.k12.pa.us or call 724-214-3900.

Thank you for your support.

I would like my child/children to be a part of the *Kids' Weekend Backpack Program*. I would like the bag of food supplies to be sent home with my child each Friday.
