

Tim and Deb Brooks

August 2021

Dear Friends,

Give thanks that we are able to have English guests again, though only if they have been vaccinated against Corona and are prepared to pay for the necessary tests before going back. David and Christine's group will not be able to come, however. Give thanks that Tim's preaching at Allen's church seemed to go well. Praise that Esther did well in her end of school exams and has a place at a business school for September. Praise God that Len and Phyl managed to get their second vaccinations moved forward so it is possible that they may get back to Germany for their granddaughter's wedding. Give thanks that a certain amount of progress has been made towards moving Tim's office downstairs, but please pray that we will find the time and energy to finish the job. The fact that we haven't got further with it is a testimony to the Lord's provision of guests, and also to the fact that people have been coming fairly regularly to services and Bible studies. Give thanks that the car was repairable without being hugely expensive.

- 
- Please pray for Tim, as he is currently preaching every Sunday and also has to find time for preparation when there is so much else to do. Pray that the Lord will use the services and Bible studies, and particularly that Susanne and Simona might be truly converted.
  - Please continue to pray the Lord will use small opportunities for witness, like the text which appears in the local paper every week with the advertisement for the service, and the various items of Christian literature which are clearly on display to guests. Deb discovered a Walter Chantry book upstairs in a guest room yesterday, which someone had obviously taken to look at.
  - Please pray that the Lord will continue to provide guests, as our financial situation is extremely dicey. We have had several last-minute bookings recently, which is encouraging, but most of these people stay for less than a week, which means we would need a lot of them to cover our expenses.
  - Please continue to pray for Tom's health. We have been hoping against hope that he will be able to return to school in September, but this is looking extremely doubtful. We really don't know what to do next, as pretty much anything would involve making an appointment outside the house, which we would have no way of knowing whether he would be able to keep.

Love to all,

Deb, Tim, Tom and Esther
