CHRISTMAS PRAYER LETTER

Dear brethren,

As we approach the end of another year, we would like to thank God that we were able as a local church to continue our regular meetings, and other ministries such as the printing and door to door distribution of our paper "Times of refreshing", keep in touch with some regular subscribers and had some new regulars from time to time, despite the difficult situation because of the pandemic.

We are kept well by the grace of God and pray the same for all of you. We are also mindful of all those who lost their dear ones or are still in the hospital. We pray our gracious God may comfort them and make all of us to examine our lives and works in the light of eternity and in accordance with the gospel of our Lord and Saviour.

Unfortunately, we are not permitted yet to have our Christmas and other special evangelistic meetings as in the past time by inviting outsiders to come, due to the pandemic.

Please pray with us for our outreach activities, such as door to door distribution of our evangelistic paper "Times of Refreshing". This work is now more difficult because of the pandemic, as personal or close contact is avoided.

Pray also for those who visit our Church's website and read and hear the gospel.

Please pray with us for the many that are walking by our premises daily, reading our two large Bible exhibitions in the front with a number of different bible texts. Someone from time to time steps-in in morning hours, asking for a free copy of the N.T, or more information.

Please pray also for the three minutes gospel message transmitted through an automatic telephone answering device, 24 hours. Many hear the gospel 24 hours a day, but few are responding asking for a NT copy or our paper "Times of refreshing".

We thank God through the technical help of Theofanis and another young man in our church, we have been able to have our own site on the internet for our church and our gospel activities such as our evangelistic paper "Times of refreshing", biblical lessons by correspondence and sermons from our Sunday worship on YouTube. Our website address is www.kairoianapsyxis.webcode.gr

Theofanis is keeping well and is involved with gladness in our church's work. He is also doing his third year of biblical studies via the internet, in the Metropolitan Tabernacle Theological Seminary in London. We thank God for Theofanis because he is a humble and always ready to serve brother in the church and a good help to me in the ministry. Please pray for him as he will replace me in the pulpit and other ministries, with the help from another young man in our church. Please pray for them.

I will be for the first time away from my dear church one whole month after 34 years, visiting with Georgia our son and his family in Munich, Germany.

Please continue pray with us for Makis, he moved recently a bit away from the church and he is able to come under the sound of the gospel regularly.

We are thankful to our Gracious Lord, for we were able this year to cover all our church expenses (Rent, electricity, telephone and water bills).

Finally, please pray with us to the Lord that he may raise up a new generation to continue the work here and elsewhere, as I am for many years now officially retired but full time yet in the gospel work.

So, we thank all of you under God, for your faithful prayers and gifts towards the work of the gospel throughout this and the many years in the past. May our Gracious and Sovereign Lord and Saviour, continue to bless you, your families and your churches, this Christmas season and, for His glory, enjoy a blessed and fruitful new coming year, as we remember Him who though always rich, became poor for our sake (2 Cor. 8, 9).

Yours in our Lord's service
